PERMIT APPLICATION INSTRUCTIONS

1. Enter name of the project and exact address including zip code.

2. Enter name of contractor, license number and your business privilege tax license number.

Major Project Permit

3. Check initial, amended, or final box. If amended or final enter the project ID number.

4. Enter the total cost of abatement. Include all abatement cost (e.g. prep work, disposal, salaries, etc.). Do not include air monitoring or asbestos project inspector costs.

5. Enter project cost up to and including fifty thousand dollars.

6. Enter two and half percent (2.5%) of the amount indicated inbox #1.

7. Enter amount of project that exceeds fifty thousand dollars.

8. Enter one and a quarter percent (1.25%) of the amount indicated in box #2.

9. Enter the total of boxes #1and #2.This is your permit fee.

Attach one check in the amount of $25.00 (filing fee) and one in the amount of your permit fee. There is a minimum permit fee of $125.

Amended & Final Permits

An amended application must be submitted whenever the cost of the project changes.

10. Complete 1through 10 and enter the new amount.

11. Subtract amount paid previously.

Enter additional amount due (attach check).

If additional amount is less than $10.00 fee is not required, but form must still be submitted.

Project Completion

Upon project completion, you must submit to Air Management Services within 90 days documentation of final cost of the asbestos project. You must submit a notarized, amended permit application AND pay any additional costs.
