

We Can't Do It Alone!

TAKE THE PLEDGE

The Philadelphia Fire Department Home Fire Safety Pledge

I love my family and I am responsible for their safety. Therefore, I PLEDGE:

I PLEDGE... to have at least one working smoke alarm on each level of my home.

I PLEDGE... to test the battery once each week and replace it or the smoke alarm as needed.

I PLEDGE... that every family member will sleep with their bedroom door closed.

I PLEDGE... to develop and practice a Home Escape Plan.

I PLEDGE... that if I cannot afford smoke alarms, I will contact the Smoke Alarm Hotline by calling 311.

All this I solemnly **PLEDGE**.
