

MANAGING DIRECTOR'S DIRECTIVE NO. 42

CHESTNUT STREET TRANSITWAY
TRAFFIC CONTROL OPERATIONS

In accordance with established policy, all cars and vehicles are strictly prohibited immediately from using the Transitway except when open to general traffic with only the following exceptions:

- Police marked and unmarked vehicles assigned to patrol the Transitway.
- Fire and other City agencies on emergency assignments.
- Transit and paratransit vehicles authorized to use the Transitway.
- Vehicles with permits to enter the Transitway.

The Department of Streets shall immediately initiate a permit process which will ensure that permits will be visibly posted on the inside front right windshield of the vehicle. Permits will be issued only for delivery to businesses that do not have any rear access. Verification of lack of rear access by property number will be filed and maintained by the Department of Streets. No loading/unloading will be allowed during the hours of 7:00 A.M. to 9:00 A.M. and 4:00 P.M. to 6:00 P.M.

Commissioners and Departments are hereby directed to insure compliance with this policy.
