

# Investing in Educating our Children

*Would you be willing to invest to help our students succeed?*

**Every dollar counts, together we can  
better educate our children.**

**See what the Mayor's Proposal to support an increased investment in  
educating our children would mean for homeowners.**

median home

**\$50,000**

**\$113,000**

**\$200,000**

**\$300,000**

**+50 cents** per week  
less than **7 cents** per day

**+\$2** per week  
less than **30 cents** per day

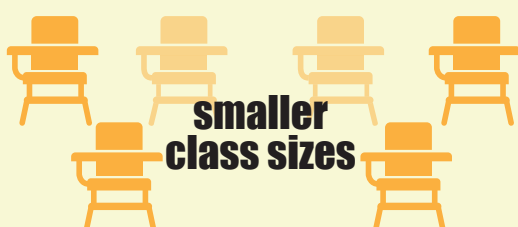

**+\$4** per week  
less than **60 cents** per day

**+\$6.50** per week  
less than **\$1** per day

**93%**

of homeowners will pay less than an additional \$28 per month

## Your investment would:

Provide **art & music  
programs, after-school  
activities & sports**

Offer **advanced  
programming** to help  
students thrive

Provide social, emotional,  
& behavioral health  
**supports** to students  
in need
