

EAST AND WEST FAIRMOUNT PARK COMMUNITY VISION

COMMUNITY MEETINGS

We need your help in developing a **Community Vision Plan for East and West Park**. We want to learn about how you use the park, how to make it easier for you to use the park, and what types of uses you think we should add.

Please join the Philadelphia Department of Parks and Recreation, the Penn Project for Civic Engagement, and PennPraxis at one of our upcoming **Community Meetings** to give us your ideas!
