

# PHILADELPHIA PARKS & RECREATION

**Outdoor Experiences Workforce Development Team is only just getting started!**

The Outdoor Experiences Workforce Development team has been hard at work now for the past two months, working on various special events such as installing the Scarecrow Festival at Sister Cities Park, assisting with land-based programs with the Canoemobile on the Delaware and Schulykill Rivers, Applefest at Fox Chase Farm, school group and special event programs at the Wissahickon and Pennypack Environmental Education Centers, the Into the Parks program as well as assisting with all of the skateboard clinics.

# PHILADELPHIA PARKS & RECREATION

This vibrant team is eager to begin meeting the participants in our recreation sites now! So far, Zakia Elliott, James Slade, Chanh Truong, Tyreek Counts and Majae Baker have been out to do Nature Play presentations at Columbus Square Playground (D7), Mayfair Recreation Center (D1), American Legion Playground (D2), Fitzpatrick Playground (D1), Russo Playground (D1), Northern Liberties Recreation Center (D2) and Nelson Playground (D2)... and that was just in one week! By the end of December, the Workforce team will have presented a program in at least one facility in every district.

In addition, the Outdoor Experiences Workforce team is working on a few special events! Be on the lookout for special invitations and announcements!
