Beaming through the everyday bustle of city life shines the vibrant light of fearless creativity. It's fresh. It's right on time. It's **REALLY AWESOME**.

Our annual art exhibition features thoughtful and dynamic artwork by over 250 youth artists from the City of Philadelphia Mural Arts Program, addressing topics that affect us all: current events, food justice, popular music, transportation, and more.

Each year, Mural Arts offers free citywide art classes through its Art Education program, which equip over 1,000 students with leadership skills, tools to craft their futures, and opportunities to dream. Working in partnership with Asian Arts Initiative and Philadelphia Young Playwrights, Mural Arts spotlights the incredible creative potential of Philadelphia's youth.
