

Vogt Cluster Makes Holiday Cards for Nursing Home Residents

By Joe Fricker, Recreation Leader

On December 3, the Vogt Cluster (Vogt, Dorsey, and Roosevelt) made holiday cards for nursing home residents of the Philadelphia Protestant Home.

Approximately forty-five students participated in the activity. They also made Christmas stars for the residents. Additionally, Kristen Wisniewski (supervisor at Dorsey) made cookies with some of the older children for delivery with the cards and stars.

Many thanks to Sam Perry, specialty RSI for Cluster Programming, and the After School team members from all three facilities for their hard work and patience to make this happen. The Protestant Home has already suggested we make Valentine's Day cards, and we're hoping to have the students make a holiday visit and delivery next year.

A heartfelt "thank you" goes out to Councilman Henon for his support of our After School and cluster programs.

The students, staff, and supervisors of the Vogt Cluster extend our best wishes for a safe and enjoyable holiday season to all of the stakeholders who have helped make our

cluster programming successful this year.
