

2014 Stewardship Team Portrait

The Stewardship Team, under the direction of Ed Fagan and Barbara McCabe, is the Jack & Jill (and Phred) of all trades, willing to jump into any and all projects. In a seamless relationship between PPR staff and the Fairmount Park Conservancy, we participated and dedicated ourselves to several projects in 2014. From a well needed spruce up and clean up at Clayborn and Lewis Playground with the PA Municipal League, to overseeing three major clean ups for Comcast Cares Day, to running bi-annual Love Your Park events, and then of course engaging citizen and corporate volunteers to be stewards of our park system by managing over 100 Park Friends Groups, we're ready for 2015!
