

Waterview Art Club News

By Susan Haidar, Recreation Leader Trainee

Waterview Art Club is open to all children 6 years and above. We engage in a wide range of activities and media. We also compete in many Department competitions: Last year, we won *Best Student Participation* in the Fall Decorations contest; we had two winners in the Holiday Card Competition; two winners in Black History Month Competition; and one in the Spring Art Show.

I like to make use of found materials. Some of our notable projects included corn husk dolls, pretend robots made from junk (“junk bots”) and paper-mache animals made from paper and used containers. For our Halloween display, we made skeletons from craft sticks, and for our Holiday display we made ornaments from a homemade dough called “salt dough.”

Below are some photos from last year’s club and Summer Camp projects.
