Philadelphia, PA 19131

Master Gardener Plant Sale & Garden Day

Sunday, May 4, 2014

Time 11AM to 2:30 PM

Fairmount Park Horticulture Center
100 N Horticultural Dr., Philadelphia, PA 19131

This plant sale & garden day will be a one stop shop for plants, information, hands-on learning and demonstrations of gardening excellence. Stop by to shop for your annuals, perennials, edibles and herbs or planted containers and soil test kits. Join in a children's craft project or the trough demonstration for adults. Take a self guided tour of the Butterfly and Edible Garden or help plant the second stage of the Food Forrest Orchard being grown in partnership with the Philadelphia Orchard Project. Master Gardener's will be available to answer questions about the demonstration gardens, help you select the right plant for your gardening needs, and help with any gardening questions.
