| Sustainability Award                              | Pennsylvania Horticultural Society | <a href="http://www.thepennsylvaniahorticulturalsociety.org/home/index.php">http://www.thepennsylvaniahorticulturalsociety.org/home/index.php</a>   | Aesthetically pleasing approaches toward stormwater management at International Flower Show. | Water Department   | Transportation & Utilities | At the 2012 International Flower Show, the Philadelphia Water Department's display demonstrated how green roofs, rain gardens and other green infrastructure can beautify our city while managing stormwater runoff that pollutes our rivers and streams. Scale models of some of Philly's most famous buildings show how green the city could be, earning the Pennsylvania Horticultural Society's Sustainability Award for the exhibit demonstrating the best use of sustainable gardening practices to the public.              | 3/15/2012     |  |
| Governor's Awards for Local Government Excellence | Commonwealth of Pennsylvania       | <a href="http://www.newpa.com/local-government/governors-award-for-local-government-excellence">http://www.newpa.com/local-government/governors-award-for-local-government-excellence</a> | Big Belly Trashcans  | Streets Department | Transportation & Utilities | This award recognizes local governments and officials that have found creative ways to improve their communities.  | 4/17/2012     |  |
| U.S. Water Prize                                  | Clean Water America Alliance       | <a href="http://www.uswateralliance.org/">http://www.uswateralliance.org/</a>   | Green City, Clean Waters   | Water Department   | Transportation & Utilities | Philadelphia's "Green City, Clean Waters" program is a national model for sustaining urban watersheds & uniting citizens and businesses by committing to greening more than 34% of the combined sewer area's impervious cover in the coming 25 years, at a total cost of over \$2.4 billion. It's winning praise from regulators, planners, & environmentalists because it embraces "triple bottom line" thinking to advance environmental, economic, & equity goals with principles of innovation, flexibility, & accountability. | 4/24/2012     |  |
