- **Reimagine** a significant urban public space
- Create **Iconic** and **Memorable** places in the context of **Complex Technical** constraints
- **Respond** to the **Diagonal Axis** of the Benjamin Franklin Parkway
- Work with **Existing Site Assets**
- Improve **Connections** along park edges
- Integrate **Public Art** into the design
- Provide **Multiple Destinations** and **Diverse Experiences** throughout the year
- Integrate **Environmentally Sustainable** strategies
- Create a World Class Park that is **Uniquely Philadelphia**
