

Be Counted!

The census count determines how much government money comes to Philadelphia for better schools, hospitals, public transit, roads and programs like job training, children's healthcare and energy assistance for seniors.

*We can make a difference...
if we are counted.*

United States[®]
Census
2010

10 questions. 10 minutes.

Check the mail for your census form in March 2010. Fill it out and send it back. It's 10 simple questions and takes 10 minutes.

**Make sure our
neighborhood counts.**
