Eligibility & Selection of Artists

Open to emerging and professional artists living or working in the Philadelphia area, including graduate students. Artists will be selected by an independent panel of arts professionals.

Selection and Installation of Exhibition

Accepted artists will be notified by phone or email no later than two weeks before opening. Due to the volume of participants, if you are not notified two weeks before the show, your work was then not accepted. You can call to verify submission status. All work must be ready for installation (i.e., hooks, wires, etc). Artists are responsible for assisting with installation of works which require special attention or extensive demands of time. The city and/or curators reserve the right to change the content of the exhibition, including the removal of artwork.

Delivery and Return of Work

The time of delivery and installation of artwork will be arranged with each participating artist after notification of acceptance.

Sale of Work

Art may be for sale, Art in City Hall does not take commission. Sales are between artist and interested party.
