

Catholic Charities Appeal

Affecting Positive Change Through Your Support

For almost 50 years, the Catholic Charities Appeal has enabled various agencies of the Archdiocese of Philadelphia to fulfill Jesus' command to feed the hungry, clothe the naked, and care for the sick among us.

Casa del Carmen, a family service center founded to support the growing Latino population in North Philadelphia, is an outstanding example of a program which benefits greatly from Catholic Charities Appeal.

Naseer Montero, a five-year-old child living in the community served by Casa del Carmen, has benefited greatly from the day care center operated there. The youngest of four children, Naseer's abilities have been nurtured by the staff. In addition to entering kindergarten in the fall with the appropriate learning skills of a child his age, Naseer's behavior and interaction with his classmates and adults has improved since he began attending day care at Casa del Carmen.

Most people are unaware that Catholic Charities Appeal makes possible many diverse programs that concretely demonstrate the love we, as Catholic Christians, are called to express for our less fortunate brothers and sisters.

For more than 50 years, the Catholic Charities Appeal has enabled various agencies of the Archdiocese of Philadelphia to fulfill their mission to feed the hungry, clothe the naked, and care for the sick among us.
