

**City of Philadelphia
Economic Opportunity Plan**

**Francis House on Fairmount LP
Parcel No. 61B (SE Corner – 46th and Fairmount Streets**

I. Introduction, Definitions and Goals

The City strongly encourages the use of certified Minority (“MBE”), Women (“WBE”), Disabled (“DSBE”) and Disadvantaged¹ (“DBEs”) Business Enterprises (collectively, “M/W/DSBEs”) and minority and female workers in all aspects of the Francis House on Fairmount project located at the SE Corner – 46th and Fairmount Streets “Project” which may include financial investment, design, construction and operations. In support of this objective, the City will require that Francis House on Fairmount LP “Developer” commit to this Economic Opportunity Plan (“EOP” or “Plan”).

This Plan contains ranges of projected M/W/DSBE utilization and goals for the employment of minority and female workers in connection with development of the project. This Plan shall be a part of and incorporated into the resulting agreement(s) with the Developer.

Developer hereby verifies that all information submitted to the Office of Economic Opportunity (“OEO”) in response to this Plan, is true and correct and is notified that the submission of false information is subject to the penalties of 18 Pa.C.S. Section 4904 relating to unsworn falsification to authorities and 18 Pa.C.S. Section 4107.2 (a)(4) relating to fraud in connection with minority business enterprises or women's business enterprises.

For the purposes of this Plan, MBE, WBE, DBE and DSBE shall refer to certified businesses so recognized by OEO. Only the work or supply effort of firms that are certified as M/W/DSBEs by an OEO approved certifying agency² will be eligible to receive credit as a Best and Good Faith Effort. In order to be counted, certified firms must successfully complete and submit to the OEO an application to be included in the OEO Registry which is a list of registered M/W/DSBEs maintained by the OEO and available online at www.phila.gov/oeo/directory.

For this Plan, the term “Best and Good Faith Efforts,” the sufficiency of which shall be in the sole determination of the City, means: efforts, the scope, intensity and appropriateness of which are designed and performed to foster meaningful and representative opportunities for participation by M/W/DSBEs and an appropriately diverse workforce and to achieve the objectives herein stated. Best and Good Faith Efforts are rebuttably presumed met, when commitments are made within the M/W/DSBE Participation Ranges established for this

¹Disadvantaged Business Enterprises (“DBEs”) are those socially or economically disadvantaged minority and woman owned businesses certified under 49 C.F.R. Part 26.

development and a commitment is made to employ a diverse workforce as enumerated herein.

II. Goals

1. M/W/DSBE Participation Ranges

As a benchmark for the expression of "Best and Good Faith Efforts" to provide meaningful and representative opportunities for M/W/DSBEs in the Project, the following participation ranges have been established. These participation ranges represent, in the absence of discrimination in the solicitation and selection of M/W/DSBEs, the percentage of MBE, WBE and DSBE participation that is reasonably attainable through the exercise of Best and Good Faith Efforts. These percentages relate to the good faith estimated cost of the entire [Project OR Development]. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g. MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The firm will not be credited toward more than one category. These ranges are based upon an analysis of factors such as the size and scope of the development and the availability of MBEs, WBEs, DSBEs and DBEs to participate in this development:

MBE	WBE	DSBE
18%	7%	2%

2. Employment Goals

Developer agrees to exhaust Best and Good Faith Efforts to employ minority persons and females in its workforce of apprentices and journeymen at the following levels³:

- Minority Apprentices – 50% of all hours worked by all apprentices
- Minority Journeymen – 32% of all journey hours worked across all trades
- Female Apprentices – 7% of all hours worked by all apprentices
- Female Journeypersons - 7% of all hours worked across all trades

III. Responsiveness

amount(s) set forth on the form. In calculating the percentage of M/W/DSBE participation, the standard mathematical rules apply in rounding off numbers. In the event of inconsistency between the dollar and percentage amounts listed on the form, the percentage will govern.

Notwithstanding the foregoing, no privity of contract exists between the City or quasi-agency representing the City and any M/W/DSBE identified in any contract resulting from implementation of the Plan. Neither quasi-agency nor the City intends to give or confer upon any such M/W/DSBE any legal rights or remedies in connection with subcontracted services under any law or policy or by any reason of any contract resulting from implementation of the Plan except such rights or remedies that the M/W/DSBE may seek as a private cause of action under any legally binding contract to which it may be a party.
