

## Performance Based Contracting Provider Rankings

The tables below rank providers from 1 to 24 and includes some instances where the providers are tied and receive the same ranking number. The ranking is relative only and in no way reflects negatively on any of the providers. We remain confident that all of our children are receiving the best possible service while in their care. The ranking is intended to describe` only their current performance relative to one another to foster awareness and collaboration in promoting even more positive outcomes.
