RE: Travel Request to Rhode Island and Abroad

Dear Mr. McIntosh:

Please be advised that on April 13, 2006, the Honorable Judge Means denied your request to travel to Brown University in Providence Rhode Island from April 28-30, 2006, and your request to travel to the International Neurotrauma Symposium in Rotterdam, Holland from May 20-26, 2006.

Failure to comply with the Judge's order will result in a violation of probation hearing.

Respectfully yours,
