

EXECUTIVE ORDER NO. 8-90

WHEREAS, all citizens have a right to expect effective and efficient government; and

WHEREAS, the existing financial situation warrants actions of a cost savings nature; and

WHEREAS, actions must be taken to ensure the continuation of City services under existing financial constraints;

NOW, THEREFORE, I, W. WILSON GOODE, by the power vested in me as Mayor of the City of Philadelphia, do hereby **ORDER** that:

Effective immediately there will be an overall reduction in the size and use of the City of Philadelphia sedan fleet. This is to include all departments and agencies under the jurisdiction of the Mayor. The fleet use and reduction program will consist of two phases:

- 1) At a time and place designated by the Managing Director, each department or agency will be required to turn in to the Department of Public Property a designated number of vehicles. The loss of these vehicles will be permanent and will effectuate savings throughout the City, in both operating and maintenance costs.

- 2) Effective immediately, all vehicular take-home privileges are restricted in a manner prescribed by the Managing Director. This shall apply to all employees of the City of Philadelphia under the jurisdiction of the Mayor.
