

Safety Committee Structure

1. Provide a list of the operating division and unit structure for the department? (You may attach the department's divisional organization structure, if one is already developed.)
2. How is the Safety Committee structured to represent all divisions of the department? If there is one committee, provide names of the divisions/units represented. If there is more than one committee, provide that information for each committee.
3. If there are Safety Subcommittees, please list them and provide the divisions/units represented.
4. Please list and include contact information for the Chairperson and Co-Chairperson(s) of each Safety Committee or Subcommittee.
5. Please provide information on the selection process of Safety Committee members. Include communication with Union Representatives and any solicitation of volunteers from labor and management. (Attach supporting documentation if applicable.)
6. What is the meeting schedule (frequency and standing or scheduled dates) for the Safety Committee(s) and Subcommittees?
7. Please list any additional information relating to the structure of the department's Safety Committee(s) or Subcommittees.
