

FREEDOM from FIRE = B ♦ A ♦ S ♦ E ♦

Building ♦ A ♦ Safe ♦ Environment ♦ through Community Risk Reduction

1. Install at least one 10-year lithium battery operated **Smoke Alarm** on each level of your home.
 - ~ Test smoke alarms monthly and replace as needed
 - ~ If you need smoke alarms installed, please call 311 for information
2. Develop and practice a **Home Escape Plan** that includes a meeting place outside of the home.
3. Utilize the **Fire Safety Checklist** to conduct a home inspection to remove potential fire hazards from your home, basement, attic, and garage.
4. Take the **Fire Safety Pledge** found on www.freedomfromfire.com
