Fairmount Park Commission
Trail User Permit Program

Dear Trail User:

Enclosed is an application for the 2002 Fairmount Park Commission Trail User Permit, a user survey and a donation form. The Fairmount Park Commission Trail User Permit Program continues to be successful.

The use of the trails is a privilege, which comes with responsibility. Trail users are expected to follow the rules and regulations and to be courteous to other park users and sensitive to the environment.

You can make better trails a reality through a tax-deductible contribution to the Fairmount Park Commission Trail Restoration Fund. A minimum donation of \$20.00 is requested, but all donations will be accepted. All donations will be used for the maintenance of the trails and to support the trail management program.

Fairmount Park Commission Trail User Permit Levels of Giving

Trail Guide	\$ 51.00 - \$100.00

The donations received last year were used for trail signage, hiring a part time trail maintenance employee, hiring part time rangers who were assigned to patrol the trails and for trail restoration.
