

A **FREE Special Event** at
Lucien E. Blackwell Branch Library:

Air Management 101

Philadelphia Department of Public Health staff will present an engaging hands-on demonstration of the tools used to sample Philadelphia's air: an ozone monitor, a fine particulate sampler, and air monitoring filters. A brief PowerPoint presentation will focus on the City's role in monitoring air pollution within Philadelphia.

Wednesday, April 25th
4 pm

No Reservation Required!

Lucien E. Blackwell Branch Library
125 South 52nd Street

The Philadelphia Science Festival is a citywide collaboration showcasing science and technology in April 2012. Part of a national movement to inspire the next generation of scientists and engineers, it builds on Philadelphia's rich history of innovation with dozens of events at museums, universities and neighborhood libraries. More information at PhilaScienceFestival.org.
