REGULATIONS OF THE BOARD OF HEALTH GOVERNING THE CHARGE POLICY
FOR THE DEPARTMENT OF PUBLIC HEALTH, AS MODIFIED

Dec. 27, 1974

The subject regulations promulgated by the Health Department were received in the Department of Records on November 26, 1974 - after a hearing had been held and they were modified - for filing and advertising.

These regulations became effective December 26, 1974.

cc: Dr. Lewis D. Polk, Acting Health Commissioner
A. Witlin, Assistant City Solicitor

1. The first part of the document discusses the importance of maintaining accurate records of all transactions.

2. It is essential to ensure that all data is entered correctly and that the system is regularly updated.

3. The second part of the document outlines the various methods used to collect and analyze data.

4. These methods include surveys, interviews, and focus groups, each with its own strengths and weaknesses.

5. The third part of the document describes the process of data analysis, from cleaning the data to identifying trends.

6. Finally, the fourth part of the document discusses the importance of reporting the results of the analysis.

7. This involves presenting the data in a clear and concise manner that is easy for stakeholders to understand.

8. The document concludes by emphasizing the need for ongoing monitoring and evaluation of the data collection process.

9. This ensures that the data remains relevant and that the system is able to adapt to changing circumstances.

10. In summary, this document provides a comprehensive overview of the data collection and analysis process.

11. It is a valuable resource for anyone involved in data-driven decision making.

12. The information presented here is intended to provide a general overview of the process.

13. For more detailed information, please refer to the relevant sections of the document.

14. We hope that this document has been helpful and that you find it useful in your work.

15. Thank you for your attention and for your contribution to the success of our organization.
