**Re: 1910 Chestnut Street**

Dear Dr. Farnham:

On behalf of Chestnut Square Associates, L.P., an affiliate of Pearl Properties and the owner of 1910 Chestnut Street (hereinafter, "Pearl"), attached please find an updated site plan that contains some modest adjustments to the southwestern portion of the building based upon further consultation with neighbors, and also demarcates the boundaries of the proposed construction that is the subject of Pearl's current application. This site plan replaces the one contained in the package of materials delivered under my letter dated October 15, 2015.

Eight hard copies will be delivered to you directly by Cecil Baker + partners.

Should you have any questions or require additional information in support of this application, please do not hesitate to contact me.

Very truly yours,

Marissa Parker
