INTRODUCTION TO THE FY 2012

PROPOSED OPERATING BUDGET

GENERAL FUND

Introduction to the FY12 Proposed Budget

After two years of painful budget balancing actions forced by dramatic declines in tax revenues and steep increases in pension costs, the City is beginning to see signs of tax revenue stabilization. The FY12 proposed budget projects continued stabilization of tax revenues, with modest growth in some of the major taxes. Despite this sense of tentative optimism, tax revenues are still considerably lower than they were a few fiscal years earlier and the City faces the threat of cuts from the state and federal governments.

The proposed FY12 budget assumes that Philadelphia's economy will slowly recover from the recession and the state and federal governments will take responsible budget actions. The budget's projections were made in conjunction with a revenue forecasting consultant, and after discussions with leading economists at a meeting at the Federal Reserve Bank of Philadelphia. Total tax revenues are estimated at \$2.542 billion, an increase of \$60 million or only 2.4% over FY11's projections.

In the FY12 budget, total revenues decline \$464 million and expenditures decline \$373 million, largely the result of moving the Department of Human Services' (DHS) reimbursed costs and corresponding revenues to the Grants Fund. Making this change will add transparency to the City's finances as the City's general fund balances will better reflect the City's financial condition. Absent this change of moving DHS to the Grants Fund, expenses would have increased by 3.2%, but almost all of that increase is in pensions, health/medical costs, debt service and investments in public safety including adding a new police class in fiscal 2012.

This FY12 budget includes \$2.9 million in departmental spending reductions and a modest \$34 million investment in other departments.

FY12 Expenditure Reductions:

- Building off the successful efforts to lower the inmate census, almost \$2 million will be removed from the Prison's budget.
- \$200,000 will be saved in the Law Department, through elimination of unfilled vacancies.

- Likewise, the Department of Licenses and Inspections will also save \$200,000 through the elimination of unfilled vacancies.
- \$100,000 will be saved in the Office of the Director of Finance, through the elimination of a vacant position, and contract savings.
- The Office of Fleet Management shows cost reductions of \$388,000 through savings in heavy equipment repair.

FY 12 Modest Investments:

About half of the new investment is in public safety. The Administration proposes to invest over \$15.5 million in the Police and Fire Departments, probation, the District Attorney's Office and the PhillyRising initiative.

- \$6.4 million for the Police Department will fund a new class of 120. This new class will allow the Department to build off the successes in crime fighting and prevention over the last three years.
- The Administration proposes increasing the Fire Department's budget by \$4.4 million in FY12. This funding will pay for firefighters' personal escape systems, which were mandated in a previous Arbitration Award, and replacement for firefighters' oxygen bottles, which are coming to the end of their useful life. This funding also pays for increased uniform overtime which will bridge the gap until a new class of firefighters can be brought on board.
- \$4.4 million is proposed for the Office of Property Assessment to allow it to complete overhauling the property assessment system, in order to provide fair and accurate property evaluations.
- \$4 million is proposed to pay for snow removal in the Streets Department. Using the past five years' average expenditures for contracted snow costs, the Administration proposes including this funding to ensure that the City is better able to manage in case of large snow storms. This funding will be placed on reserve by the Office of Budget and Program Evaluation to ensure that it will only be spent on that specific purpose.

- Other funding increases include \$2.4 million for the restoration of probation positions funded by a Recovery Act grant that is expiring for the First Judicial District, \$1.9 million for the District Attorney to allow the office to maintain needed initiatives, \$1 million to increase funding to the Mayor's Commission on Literacy, \$573,000 for the newly created PhillyRising program run out of the Managing Director's Office, and \$180,000 to ensure that swimming pools will be open all summer long.

Taken together with the City's revenue and obligation projections, these cuts and modest investments result in an adequate projected general fund balance level of \$51 million in FY12.

SECTION 16. General Provisions

(1) The sums herein appropriated under Items 2.41, 3.7, and 10.10 “To the Director of Finance-Indemnities” shall be used for the purpose of settling claims against the City. Payments therefore shall be made by the Director of Finance only upon the authorization of the City Solicitor or his/her designated representative for this purpose.

(2) If any function is transferred from one office, department, board or commission to another office, department, board or commission, the Director of Finance may not, without Council approval by ordinance, transfer to the successor office, department, board or commission those portions of the appropriations which appertain to the function transferred.

(3) Whenever, pursuant to the provisions of Section 8-401 of the Philadelphia Home Rule Charter, employees of any office, department, board or commission are used by another office, department, board or commission, the compensation of such employees for the period of such use may, at the discretion of the Director of Finance, be charged against the applicable appropriations to the using office, department, board or commission. The Director of Finance shall notify the President of Council, the Chief Clerk of Council and the Chair of the Appropriations Committee at least two (2) days prior to making any such charge against appropriations.

(4) In respect to any grant received by the City under Sections 5, 6, 7 or 9 of this Ordinance, The Director of Finance may, upon written authorization by the grantor transfer non-City funds between and among classes. The authorizations for such transfers shall be transmitted by The Director of Finance to the Clerk of Council within two (2) working days of any such transfer, along with a statement explaining the reason for such transfer. Transfers between and among departments respecting grants of two hundred fifty thousand (250,000) dollars or greater shall not be made except with the prior approval of the Council by resolution or ordinance. Approval shall not be granted to any such transfer request submitted to Council unless it is accompanied by a copy of the grant proposal (and, if received, the grant award) which has caused the transfer request to be made. Transfers between and among departments respecting grants of less than two hundred fifty thousand (250,000) dollars shall be made upon written authorization of the Director of Finance; provided however, that such authorization, along with a full description of the grant affected is transmitted to the President of Council at least two (2) days before the effective date of such authorization.

In respect to funds from the Department of Housing and Urban Development's Community Development Block Grant (CDBG) appropriated under Section 11 of this Ordinance, the limitations set forth in the provisions of Chapter 21-1100 of The Philadelphia Code shall govern any transfer of CDBG funds between and among classes, departments and elements (grants).

(5) In respect to the appropriation made in Item 11.4 of this Ordinance "To the Director of Finance-Community Development Block Grant-To be Allocated", the sums shall not be construed as being available for commitment prior to the adoption of any ordinance appropriating moneys to be made available by the Department of Housing and Urban Development for the Fiscal Year 2012.

(6) The Director of Finance may make adjustments for obligations incurred in Fiscal Year 2011 and prior years. These may be made out of the appropriations therefor to the respective offices, departments, boards, commissions and agencies for Fiscal Year 2012. Within one week of taking any action authorized by this subsection (6), the Director of Finance shall provide written notice to the President and all members of the Council, with a copy to the Chief Clerk of Council, detailing such action.

(7) Except as otherwise provided by this Ordinance, special funds heretofore established pursuant to ordinance or statute, shall continue to be utilized in Fiscal Year 2012 for the purposes and in the manner prescribed by such ordinance or statutes to the extent that they are consistent with the provisions of the Philadelphia Home Rule Charter.

When under the Philadelphia Home Rule Charter an appropriation is a prerequisite to payments of money from such special funds, this paragraph should be construed as an appropriation of the full receipts of such funds for the purpose heretofore authorized by such ordinance or statutes, except that this paragraph shall not be construed as an appropriation of any funds contained in the Housing Trust Fund created under Chapter 21-1600 of The Philadelphia Code, and expenditures from the Housing Trust Fund shall be made only pursuant to appropriations made in Section 14 of this ordinance. The provisions in the prior sentence relating to the Housing Trust Fund are not severable from the remainder of that sentence or from any of the other

provisions of this subsection (7), but are essentially and inseparably connected with those provisions, it being Council's intent that no portion of this subsection (7) would have been enacted if it did not also contain the provisions relating to the Housing Trust Fund.

The Director of Finance is authorized and directed to impound the balance of any special fund with respect to which he/she finds that the purposes for which the fund is being expended were intended by ordinance or law to be funded by an appropriation made in other Sections of this Ordinance.

(8) The City Treasurer is authorized and directed to make temporary advances in such amounts as the Director of Finance shall specify between any of the operating funds receiving appropriations in this Ordinance or between any operating fund and the Capital Projects Fund, and the Industrial and Commercial Development Fund, in anticipation of the collection of revenues or other receipts which are estimated to be receivable during the Fiscal Year 2012. Such advances shall bear interest at such rates as the City Treasurer, upon approval of the Director of Finance, shall determine.

(9) The amounts herein appropriated for Purchase of Services; Materials, Supplies and Equipment; Contributions, Indemnities and Taxes; and Debt Service shall be deemed to be available for encumbrance upon the effective date of this Ordinance, to the extent necessary to facilitate the operations of the various offices, departments, boards and commissions for Fiscal Year 2012; provided, that no service shall be rendered prior to July 1, 2011 and no materials, supplies or equipment acquired shall be used in Fiscal Year 2011 except to the extent required to prepare for Fiscal Year 2012.

Such portions of the appropriations herein made for debt service to the Sinking Fund Commission may be paid over to the City's fiscal agent prior to July 1, 2011 as in the judgment of the Director of Finance is necessary to meet interest and principal on the debt of the City due on July 1, 2011.

(10) The Director of Finance is authorized to charge or credit fund balances available for appropriations as of June 30, 2011 to record properly actual charges for Interfund Services for the Fiscal Year 2011.

(11) The Director of Finance is authorized to charge to fund balance payment of any obligation properly incurred in Fiscal Year 2011 or in any prior year, provided that at the time such obligation was incurred an appropriation was available against which it could have been charged, but that such appropriation shall have ceased to exist due to merger into surplus. It is further provided that the payment of any such obligation be in the same manner and subject to the same controls as would have been followed had the obligation been paid in a timely manner. Within one week of taking any action authorized by this subsection (11), the Director of Finance shall provide written notice to the President and all members of Council, with a copy to the Chief Clerk of Council, detailing such action.

(12) Provided that the appropriation contained in Sections 7, 9 and 11 of this Ordinance shall be made available for encumbrances and/or expenditure only when the Director of Finance

has certified that he/she has been responsibly advised that funds necessary to finance such appropriation or portion thereof have been received or are to be forthcoming from another government or from a nongovernmental source.

In such event the Director of Finance is authorized to accept the award for the City and to provide for the appropriation as may be required to execute the program covered by the award.
