# CITY OF PHILADELPHIA

**OFFICE OF THE DIRECTOR OF FINANCE**  
1401 John F. Kennedy Blvd  
Suite 1340, Municipal Services Building  
Philadelphia, Pennsylvania 19102-1693

**ROB DUBOW**  
Director of Finance

October 28, 2011

To the Honorable Mayor and Members of City Council of the City of Philadelphia:

The Annual Financial Report of the Director of Finance for the fiscal year ended June 30, 2011 is hereby submitted.

This report was issued in compliance with the Philadelphia Home Rule Charter (Charter), which requires that the Director of Finance "Issue within one hundred and twenty days after the close of each fiscal year a statement as of the end of that year showing the balances in all funds of the City, the amounts of the City's known liabilities, and such other information as is necessary to furnish a true picture of the City's financial condition". This report is intended to meet these requirements and is not audited. The Comprehensive Annual Financial Report will be published at a latter date.

The report contains financial statements for all City governmental funds and blended component units presented on the modified accrual basis. The proprietary and fiduciary funds are presented on the full accrual basis. It also contains budgetary comparison schedules for those funds that are subject to an annual budget. The financial statements of the City's discretely presented component units that were available as of the date of this report are also presented.

## GENERAL GOVERNMENT FUNCTIONS

### GENERAL FUND

At June 30, 2011 an unreserved fund balance surplus of \$.1 million was reported on the budgetary basis while an unreserved fund balance deficit of \$149.5 million was reported on the modified accrual basis. The difference of \$149.6 million represents Business Privilege Tax receipts received in advance of being earned on the modified accrual basis.

The following schedules present a summary of General Fund revenues and expenditures on the modified accrual basis and the amount and percentages of increases and decreases in relation to the prior year

### ENTERPRISE OPERATIONS

The City's Enterprise Operations are comprised of three separate and distinct activities and are accounted for in the following funds: Water Fund, Aviation Fund and Industrial and Commercial Development Fund. The Water Fund provides water, sewer and storm water services on a user charge basis. The Aviation Fund covers airport operations under a long-term lease agreement with the

individual user airlines that became effective July 1, 2007. The Industrial and Commercial Development Fund accounts for acquisition and disposition of land for industrial and commercial purposes. The following summary reflects actual revenues, expenses and results of operations for the individual Enterprise Funds:

*Amounts in Millions of USD*

	Water <u>Fund</u>	Aviation <u>Fund</u>	Industrial & Commercial Development <u>Fund</u>	<u>Totals</u>

Net Assets-June 30, 2011	795.8	835.8	16.7	1,648.3

#### **CASH MANAGEMENT**

Cash temporarily idle during the year is invested mainly in U.S. Treasury and agency obligations, certificates of deposit, commercial paper, highly rated corporate bonds, money market mutual funds, and repurchase agreements. The goals of the City's cash management are preservation of principal, maintenance of liquidity and maximization of return.

The City's investment policy is to minimize credit and market risks while maintaining a competitive yield on its portfolio. Accordingly, deposits were either insured by federal depository insurance or collateralized. All collateral on deposits was held either by the City, its agent, the Federal Reserve Bank, or a financial institution's trust department in the City's name. The Pension Trust Fund's investment portfolio also includes stocks, corporate bonds, real estate and other items.

#### **RISK MANAGEMENT**

The City and several of its component units are primarily self-insured for fire damage, casualty losses, public liability, Worker's Compensation, and Unemployment Compensation. Liabilities arising in these areas are liquidated with available resources of the respective operating funds. The Airports, the Philadelphia Gas Works and the remaining component units are principally insured through insurance carriers.

#### **PENSION AND OTHER POST-EMPLOYMENT BENEFITS**

The Charter mandates that the City maintain an actuarially sound pension and retirement system. To satisfy that mandate, the City's Board of Pensions and Retirement maintains the single-employer Municipal Pension Plan (the Plan). The Plan covers all officers and employees of the City and officers and employees of five other governmental and quasi-governmental organizations. By authority of two Ordinances and related amendments passed by City Council, the Plan provides retirement benefits as

well as death and disability benefits. Benefits vary by the class of employee. The plan has two major classes of members - those covered under the 1967 Plan and those covered under the 1987 Plan. Both of these plans has multiple divisions and are defined benefit plans. A third plan was recently enacted that features a defined benefit component and a defined contribution component.

**DEBT ADMINISTRATION**

At fiscal year end, the City's (excluding component units) bond ratings were as follows:

<b>Bond Type</b>	<b>Moody's Investor Service</b>	<b>Standard &amp; Poor's Corporation</b>	<b>Fitch IBCA</b>
General Obligation Bonds	A2	BBB	A-
Water Revenue Bonds	A1	A	A+
Aviation Revenue Bonds	A2	A+	A

Under current state statutes, the City's general obligation bonded debt issuances are subject to a legal limitation. At June 30, 2011 the City's (excluding component units) net general obligation authorized debt of \$1,474.6 million was \$97.3million below the legal limit of \$1571.9 million.

**AWARDS AND ACKNOWLEDGEMENTS**

The preparation of the Annual Financial Report on a timely basis was made possible by the dedicated service of the entire staff of the Office of the Director of Finance as well as various City departments and component units. Each has my sincere appreciation for their valuable contributions.

Respectfully submitted,

**ROB DUBOW**  
Director of Finance

## 1. REPORTING ENTITY

The City of Philadelphia was founded in 1682 and was merged with the county in 1854. Since 1951 the City has been governed largely under the Philadelphia Home Rule Charter. However, in some matters, including the issuance of short-term and long-term debt, the City is governed by the laws of the Commonwealth of Pennsylvania.

As required by GAAP, the financial statements of the City of Philadelphia include those of the primary government and its component units. The component units discussed below are included in the City's reporting entity because of the significance of their operational or financial relationships with the City. The financial statements of these component units have been included in the City's reporting entity either as blended component units or as discretely presented component units. Based on the criteria established by Governmental Accounting Standards Board Statement (GASBS) #14 as amended by GASBS #39 and GASBS #61, certain other organizations also did meet the criteria for inclusion, however they are not included in the City's financial statements because they are not significant to a fair representation of the City's reporting entity. **Individual financial statements can be obtained directly from their administrative offices by writing to the addresses provided.**

As used both on the face of the financial statements and in the footnotes, the term "Primary Government" includes both City funds and Blended Component Units while the term "Component Units" includes only Discretely Presented Component Units.

### A. BLENDED COMPONENT UNITS

#### **Pennsylvania Intergovernmental Cooperation Authority (PICA) – 1500 Walnut St., Philadelphia, PA 19102**

PICA was established by act of the Commonwealth of Pennsylvania to provide financial assistance to cities of the first class and is governed by a five member board appointed by the Commonwealth. Currently, the City of Philadelphia is the only city of the first class. The activities of PICA are reflected in two of the governmental fund types (Special Revenue and Debt Service).

#### **Philadelphia Municipal Authority (PMA) – 1515 Arch St., Philadelphia, PA 19102**

PMA is governed by a five member board appointed by the City and was established to issue tax exempt bonds for the acquisition and use of certain equipment and facilities for the City. The activities of PMA are reflected in three of the governmental fund types (Special Revenue, Debt Service and Capital Improvement).

### B. DISCRETELY PRESENTED COMPONENT UNITS

The component unit columns in the applicable combined financial statements include the combined financial data for the organizations discussed below. They are reported in a separate column to emphasize that they are legally separate from the City. However, in order to retain their identity, applicable combining statements have been included as part of this report.

From time to time the status of the City's component units is re-evaluated to determine if an organization continues to meet the requirements for inclusion as a component unit. The Philadelphia Housing Authority (PHA) has been included as a discretely presented component unit in the past. However, after reviewing the City's relationship with PHA, it has been determined that PHA should be considered a related organization. Although City officials appoint a voting majority of PHA's board of directors, it has been determined that the City cannot impose its will on PHA and PHA is not fiscally dependent on the City. Also, effective fiscal year 2011, the Pennsylvania Convention Center Authority's (PCCA) financial statements are no longer included in the city's statements. The agreement to expand the Convention Center effectively made PCCA a component unit of the Commonwealth of Pennsylvania.

#### **Community College of Philadelphia (CCP) – 1700 Spring Garden St., Philadelphia, PA 19130**

CCP was established by the City to provide two year post-secondary education programs for its residents. It is governed by a Board appointed by the City, receives substantial subsidies from the City, and its budgets must be submitted to the City for review and approval.

#### **Delaware River Waterfront Corp. (DRWC) – 121 N. Columbus Blvd., Philadelphia, PA 19106**

In January 2009, the board of the Penn's Landing Corporation was dissolved and replaced with the DRWC. The new 16 member board, is headed by the Mayors' Deputy Director for Economic Development and Planning, and is comprised of appointed City officials and private sector experts in design, finance, and real estate development. The new group will focus on the development of the seven-mile stretch of water front property between Allegheny and Oregon Avenues.

**Philadelphia Parking Authority (PPA) – 3101 Market St., Philadelphia, PA 19104**

PPA was established by the City to coordinate a system of parking facilities and on-street parking on behalf of the City. Its fiscal year ends on March 31. The City has guaranteed debt payments for PPA. A voting majority of PPA's governing board is not appointed by the City however, the significance of the City's relationship with PPA is such that exclusion from the City's financial report would be misleading.

**Redevelopment Authority of the City of Philadelphia (RDA) – 1234 Market St., Philadelphia, PA 19107**

RDA was established to rehabilitate blighted sections of the City. It is governed by a five-member board appointed by the City and must submit its budgets to the City for review and approval.

**School District of Philadelphia (SDP) – 440 N. Broad St., Philadelphia, PA 19130**

SDP was established by the Educational Supplement to the Philadelphia Home Rule Charter to provide free public education for the City's residents. A voting majority of the SDP governing board is not appointed by the City, however, the significance of the City's relationship with SDP is such that exclusion from the City's financial report would be misleading.

**Community Behavioral Health (CBH) – 801 Market St., Philadelphia, PA 19107**

CBH is a not-for-profit organization established by the City's Department of Public Health to provide for and administer all behavioral health services required by the Commonwealth of Pennsylvania. Its board is made up of City officials and City appointees. Any change in funding would present a financial burden to the City.

**Philadelphia Authority for Industrial Development (PAID) – 2600 Centre Sq. West, Philadelphia, PA 19102**

PAID was formed under the Industrial Development Authority Law to issue debt to finance eligible industrial and commercial development projects. PAID is the delegate agency responsible for administration of certain state grants and acts in the City's behalf on major development projects in the City. The City appoints a voting majority of PAID's board and is responsible for funding PAID's debt service.

**Philadelphia Gas Works (PGW) – 800 W. Montgomery Ave., Philadelphia, PA 19122**

PGW was established by the City to provide gas service to residential and commercial customers within the City of Philadelphia. The City appoints a voting majority of PGW's board and has the ability to modify or approve their budget.

**2. BASIS OF ACCOUNTING, MEASUREMENT FOCUS AND FINANCIAL STATEMENTS**

**A. PRIMARY GOVERNMENT**

*Governmental fund* financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are generally recorded when a liability is incurred as under accrual accounting. Debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due. However, those expenditures may be accrued if they are to be liquidated with available resources.

Imposed non-exchange revenues such as real estate taxes are recognized when the enforceable legal claim arises and the resources are available. Derived tax revenues, such as wage, business privilege, net profits and earnings taxes, are recognized when the underlying exchange transaction has occurred and the resources are available. Grant revenues are recognized when all the applicable eligibility requirements have been met and the resources are available. All other revenue items are considered to be measurable and available only when cash is received by the City.

Additionally, the City reports on Permanent funds, which are used to account for resources legally held in trust for use by the park and library systems of the City. There are legal restrictions on the resources of the funds that hold that the principal remain intact and only the earnings are allowed to be used for the program.

*The City reports on the following fiduciary funds:*

**City of Philadelphia**  
**Notes to the Financial Statements**  
**For the Fiscal Year Ended June 30, 2011**

---

- The Municipal Pension Fund accumulates resources to provide pension benefit payments to qualified employees of the City and certain other quasi-governmental organizations.
- The Philadelphia Gas Works Retirement Reserve Fund accumulates resources to provide pension benefit payments to qualified employees of the Philadelphia Gas Works.
- The Escrow Fund accounts for funds held in escrow for various purposes.
- The Employees Health & Welfare Fund accounts for funds deducted from employees' salaries for payment to various organizations.
- The Departmental Custodial Accounts account for funds held in custody by various City Departments.

*The City reports the following major proprietary funds:*

- The Water Fund accounts for the activities related to the operation of the City's water delivery and sewage systems.
- The Aviation Fund accounts for the activities of the City's airports.

Private sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in both the government wide and the proprietary fund financial statements to the extent that they do not conflict or contradict guidance of the GASB. Governments also have the option of following subsequent private sector guidance for their business type activities and enterprise funds. The City has elected not to follow subsequent private sector guidelines.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's ongoing operations. The principal operating revenues of the Water Fund are charges for water and sewer service. The principal operating revenue of the Aviation fund is charges for the use of the airport. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

### **3. DEPOSITS AND INVESTMENTS**

---

The City utilizes a pooled Cash and Investments Account to provide efficient management of the cash of most City funds. In addition, separate cash accounts are maintained by various funds due to either legal requirements or operational needs. For Proprietary and Permanent Funds, all highly liquid investments (except for Repurchase Agreements) with a maturity of three months or less when purchased are considered to be cash equivalents.

The City reports investments at fair value. Short-term investments are reported at cost which approximates fair value. Securities traded on national or international exchanges are valued at the last reported sales price. The fair value of real estate investments is based on independent appraisals. Investments which do not have an established market are reported at estimated fair value.

Statutes authorize the City to invest in obligations of the Treasury, agencies, and instruments of the United States, repurchase agreements, collateralized certificates of deposit, bank acceptance or mortgage obligations, certain corporate bonds, and money market funds. The Pension Trust Fund is also authorized to invest in corporate bonds rated AA or better by Moody's Bond Ratings, common stocks and real estate.

From February to early June, deposits of the City significantly exceeded the amounts reported at year end. This was due to cyclical tax collections (billings for taxes are mailed in January and payable in March).

### **4. INVENTORIES**

---

#### **A. PRIMARY GOVERNMENT**

Supplies of governmental funds are recorded as expenditures when purchased rather than capitalized as inventory. Accordingly, inventories for governmental funds are shown on the Statement of Net Assets but not on the Governmental Funds Balance Sheet. Inventories of proprietary funds are valued at moving average cost except for the following:

- **Industrial and Commercial Development Fund** inventory represents real estate held for resale and is valued at cost.

**B. COMPONENT UNITS**

All inventories are valued at moving average cost except for the following:

- **PGW** inventory consists primarily of fuel stock and gases which are stated at average cost.

**5. BONDS AND RELATED PREMIUMS, DISCOUNTS & ISSUANCE COSTS**

---

In *governmental fund* financial statements, bond premiums, discounts and issuance costs are recognized in the current period. The face amount of the debt is reported as other financing sources. Premiums received on debt issuance are reported as other financing sources while discounts are reported as other financing uses. Issuance costs are reported as debt issuance expenditures.

**6. INSURANCE**

---

The City, except for the Airport and certain other properties, is self-insured for most fire and casualty losses to its structures and equipment and provides statutory worker's compensation, unemployment benefits, and health and welfare to its employees through a self-insured plan.

**7. RECEIVABLE AND PAYABLES**

---

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as due to/from other funds. The real estate tax receivable allowance is equal to 43.3% of outstanding real estate taxes at June 30. Property taxes are levied on a calendar year basis. The City's property taxes, levied on assessed valuation as of January 1, are due and payable on or before March 31. Taxes levied are intended to finance the fiscal year in which they become due. Current real estate rates are \$9.082 on each \$100 assessment; \$4.959 for the SDP and \$4.123 for the City. Delinquent charges are assessed at 1.5% per month on all unpaid balances as of April 1. Real estate tax delinquents are subject to lien as of the following January 1. The City has established real estate improvement programs that abate, for limited periods, tax increases that result from higher assessments for improved properties. Certain incremental tax assessments are earmarked to repay loans from the City to developers who improve properties under Tax Increment Financing agreements.

**8. DEFERRED REVENUES**

---

**A. PRIMARY GOVERNMENT**

Deferred revenues as reported in the *fund* financial statements represent receivables which will be collected and included in revenues of future fiscal years or funds received in advance of being earned. In the General Fund, deferred revenues relate to property tax levies and self-assessed taxes receivable which are not available to pay liabilities of the current period and grants receivable for which the eligibility criteria has been met, but the resources are not available. Also included are business-privilege taxes which were received in advance of being earned. The deferred revenue in the Special Revenue and Capital Improvement Funds is primarily related to grants receivable and funds received in advance of being earned. In the Water and Aviation Funds, deferred revenues relate to overpayments from water/sewer customers and airlines, respectively.

**B. COMPONENT UNITS**

Community College of Philadelphia student tuition and fees received prior to June 30 which are applicable to the Summer II and Fall terms have been deferred and will be included in revenue in the subsequent year.

#### 9. COMPENSATED ABSENCES

---

It is the City's policy to allow employees to accumulate earned but unused vacation benefits. Vacation pay is accrued when earned in the *government-wide* financial statements and in the *proprietary and fiduciary-fund* financial statements. Sick leave balances are not accrued in the financial statements because sick leave rights are non-vesting.

#### 10. CLAIMS AND JUDGMENTS

---

Pending claims and judgments are recorded as expenses in the *government wide* financial statements and in the *proprietary and fiduciary fund* financial statements when the City solicitor has deemed that a probable loss to the City has occurred. Claims and judgments are recorded as expenditures in the *government fund* financial statements when paid or when judgments have been rendered against the City.

#### 11. BUDGETARY INFORMATION

---

The City's budgetary process accounts for certain transactions on a basis other than generally accepted accounting principles (GAAP). In accordance with the Philadelphia Home Rule Charter, the City has formally established budgetary accounting control for its operating and capital improvement funds.

The operating funds of the City, consisting of the General Fund, ten Special Revenue Funds (County Liquid Fuels Tax, Special Gasoline Tax, HealthChoices Behavioral Health, Hotel Room Rental Tax, Grants Revenue, Community Development, Car Rental Tax, Housing Trust, Wage Tax Reduction and Acute Care Hospital Assessment funds) and two Enterprise Funds (Water and Aviation Funds), are subject to annual operating budgets adopted by City Council. Included with the Water Fund is the Water Residual Fund. These budgets appropriate funds for all City departments, boards and commissions by major class of expenditure within each department. Major classes are defined as: personal services; purchase of services; materials and supplies; equipment; contributions, indemnities and taxes; debt service; payments to other funds; and advances and other miscellaneous payments. The appropriation amounts for each fund are supported by revenue estimates and take into account the elimination of accumulated deficits and the re-appropriation of accumulated surpluses to the extent necessary. All transfers between major classes (except for materials and supplies and equipment, which are appropriated together) must have council approval. Appropriations that are not expended or encumbered at year end are lapsed. Comparisons of budget to actual activity at the legal level of compliance are located in the City's *Supplemental Report of Revenues and Obligations*, a separately published report.

The City Capital Improvement Fund budget is adopted annually by the City Council. The Capital Improvement budget is appropriated by project for each department. All transfers between projects exceeding twenty percent of each project's original appropriation must be approved by City Council. Any funds that are not committed or expended at year end are lapsed. Comparisons of departmental project actual activity to budget are located in the City's *Supplemental Report of Revenues and Obligations*.

The budgetary comparison schedules presented differ from the modified accrual basis of accounting. These schedules differ from the GAAP basis statements in that both expenditures and encumbrances are applied against the current budget. adjustments affecting activity budgeted in prior years are accounted for through fund balance or as reduction of expenditures and certain interfund transfers and reimbursements are budgeted as revenues and expenditures.

During the year, classification adjustments and supplementary appropriations were necessary for City funds. Therefore, budgeted appropriation amounts presented are as originally passed and as amended by the City Council. As part of the amendment process, budget estimates of City related revenues are adjusted and submitted to City Council for review. Changes in revenue estimates do not need City Council approval, but are submitted in support of testimony with regard to the appropriation adjustments. Revenue estimates are presented as originally passed and as amended.

#### 12. SECURITIES LENDING

---

The Board of Directors of the Municipal Pension Fund (Pension Fund) and the Sinking Fund Commission (on behalf of the Philadelphia Gas Works Retirement Reserve Fund (PGWRR)) have each authorized management of the respective funds to participate in securities lending transactions. Each fund has entered into a Securities Lending Agreement with its custodian bank to lend its securities to broker-dealers.

- **The Pension Fund** lends US Government and US Government Agency securities, domestic and international equity securities and international fixed income securities and receives cash and securities issued or guaranteed by the federal government as collateral for these loans. Securities received as collateral can not be pledged or sold except in the case of a borrower default. The market value of collateral must be at least 102% (in some cases 105%) of the underlying value of loaned securities. The Pension fund has no restriction on the amount of securities that can be lent. The Pension Fund's custodian bank indemnifies the Fund by agreeing to purchase replacement securities or return cash collateral if a borrower fails to return securities or pay distributions thereon. The maturity of investments made with cash collateral generally did not match the maturity of securities loaned during the year or at year-end. The Pension Fund experienced \$1.9 million in unrealized losses from securities transactions during the year and had no credit risk exposure at June 30.
- **The PGWRR** lends US Treasury, federal agency, and DTC-eligible corporate debt and equity securities and receives cash, US Treasury and federal agency securities and letters of credit as collateral for these loans. Securities received as collateral can not be pledged or sold except in the case of a borrower default. The market value of collateral must be 102% of the total of the market value of loaned securities plus any accrued interest. The **PGWRR** placed no restrictions on the amount of securities that could be lent. The **PGWRR's** custodian bank does not indemnify the **PGWRR** in the event of a borrower default except in cases involving gross negligence or willful misconduct on the custodian's part. Maturity of investments made with cash collateral is generally matched with maturity of loans. The **PGWRR** experienced no losses and had no credit risk exposure at June 30.

### **13. AMOUNTS HELD BY FISCAL AGENT**

---

Two of the City's component units (**PAID** and **RDA**) have issued debt that, in accordance with GASB Interpretation #2, is considered conduit debt. Therefore, no asset related to the bond proceeds or liability related to the bonds is shown on their respective financial statements. However, since the City, through various agreements is responsible for the debt, the proceeds of the issuance are shown as assets of the City.

#### **A. GOVERNMENTAL FUNDS**

**General Fund** - Consists of cash and investment balances related to the net proceeds of **PAID's** Sports Stadium Financing Lease Revenue Bonds Series A & B of 2007, **PAID's** Central Library Project Financing Lease Revenue Bonds Series 2005 and **PAID's** Cultural and Commercial Corridor Lease Revenue Bonds Series 2006.

**Grants Revenue Fund** - Consists of cash and investment balances related to the net proceeds of the **RDA's** City of Philadelphia Neighborhood Transformation Initiative Bonds.

#### **B. PROPRIETARY FUNDS**

**Aviation Fund** - cash and investment balances related to the net proceeds of **PAID's** Airport Revenue Bonds, Series 1998A and 2001A. The proceeds are held by a fiscal agent and disbursed at the City's direction to pay for airport related capital improvements.

### **14. INTERFUND RECEIVABLES AND PAYABLES**

---

#### **A. PRIMARY GOVERNMENT**

Interfund receivable and payable balances among Primary Government funds at year-end are the result of the time lag between the dates that interfund goods and services are provided, the date the transactions are recorded in the accounting system and the date payments between funds are made. All balances are expected to be settled during the subsequent year.

#### **B. COMPONENT UNITS**

Interfund receivables and payables between the Primary Government and its Component Units at year-end are the result of the time lag between the dates that interfund goods and services are provided, the date the transactions are recorded in the accounting system and the date payments between funds are made. All interfund balances are expected to be settled during the subsequent year.

**City of Philadelphia**  
**Notes to the Financial Statements**  
**For the Fiscal Year Ended June 30, 2011**

**15. NOTES PAYABLE**

PGW, pursuant to the provisions of certain ordinances and Resolutions, may sell short-term notes in a principal amount which, together with the interest thereon, will not exceed \$150 million outstanding at any one time. These notes are intended to provide additional working capital. They are supported by an irrevocable letter of credit and a subordinated security interest in the PGW's revenues. There were no notes outstanding at year-end (August 31, 2010).

**16. DEBT PAYABLE**

**A. PRIMARY GOVERNMENT LONG-TERM DEBT PAYABLE**

**(1) Governmental Debt Payable**

The City is subject to a statutory limitation established by the Commonwealth of Pennsylvania for bonded indebtedness (General Obligation Bonds) payable principally from property taxes. As of June 30, 2011 the statutory limit for the City is \$1.6 billion, the General Obligation Debt net of deductions authorized by law is \$1.5 billion, leaving a legal debt borrowing capacity of \$97.3 million. Termination Compensation costs and Worker's Compensation claims are paid by whichever governmental fund incurs them. Indemnity claims are typically paid by the General Fund. The following schedule reflects the changes in long-term liabilities for the fiscal year:

- In October 2010, the City issued Airport Revenue Bond Series 2010 in the amount of \$624.7 million. The Series 2010 A bonds (Non-AMT) were issued as serial and term bonds. Insured serial bonds were issued in the amount of \$16.5 million with interest rates ranging from 3% to 4.5% and mature in 2035 and uninsured serial bonds were issued in the amount of \$113.0 million, with interest rates ranging from 2% to 5.250% and mature in 2030. Insured term bonds were issued in the amounts of \$25 million, and \$48 million with an interest rate of 5% and mature in 2035 and 2040 respectively. Uninsured term bonds were issued in amounts of \$37.8 million and 32.8 million with an interest rate of 5% and mature in 2035 and 2040 respectively. Series 2010B (Non-AMT) for \$24.4 million and 2010C (AMT) for \$54.7 million were uninsured and issued as serial bonds and will mature in 2015 and 2018 respectively. The series 2010B and 2010C bonds have interest rates ranging from 2% to 5%. The insured 2010D (AMT) serial bonds were issued in the amount of \$1.9 million with interest rates ranging from 4% to 4.5% and mature in 2024. The uninsured 2010D serial bonds were issued in the amount of \$270.7 million with interest rates ranging from 2% to 5.25% and mature in 2028. The proceeds from the bonds together with other available funds will be used to (1) pay or reimburse for the costs of the 2010 Project, (2) provide for capitalized interest on the 2010A bonds during con-

struction of the 2010 Project, (3) currently refund all of the City's outstanding Airport Revenue Refunding Bonds, Series 1997A; (4) currently refund a portion of the City's outstanding Airport Revenue Refunding Bonds, Series 1998A; (5) currently refund a portion of the City's outstanding Airport Revenue Bonds Series 1998B; (6) fund a deposit to the Parity Sinking Fund Reserve Account; and (7) pay the costs of issuance of the 2010 bonds. Any prepayment of the 1998B bond shall be in an amount that is sufficient and used to pay a like amount of the Philadelphia Authority for Industrial Development (PAID) Airport Revenue Bonds, Series 1998A and together with the 1998B bond sometimes hereinafter referred to, collectively as the International Terminal Bonds.

- In July 2010, the City issued Water & Wastewater Revenue Bonds Series 2010 C in the amount of \$185.0 million. Serial bonds were issued in the amount of \$116.8 million with interest rates ranging from 3.0% to 5.0%, and have a maturity date of 2030. Term bonds were issued in the following amounts (1) \$5.2 million with an interest rate of 4.750% and mature in 2035; (2) \$24.6 million with an interest rate of 5.0% and mature in 2035; (3) \$38.4 million with an interest rate of 5.0% and mature in 2040. The proceeds of the bonds together with other available funds of the water department will be used to fund capital improvements to the City's water & wastewater system, fund payments to terminate a portion of the 2007 swap agreement (\$15 million), fund the required deposit into the Debt Reserve account of the Sinking Fund and pay various bond issuance costs.
- In July 2010, the City of Philadelphia Water Department received approval from the Pennsylvania State Infrastructure Financing Authority ("PENNVEST") for the Green Infrastructure Project (Series 2010B), bringing the total financing from PENNVEST to \$214.9 million. During fiscal year 2011, PENNVEST's drawdowns totaled \$73.8 million, which represents an increase in bond issuances. The funding is through low interest loans of 1.193% during the construction period and for the first five years of amortization (interest only payment are due during the construction period up to three years) and 2.107% for the remaining fifteen years. Individual loan information is as follows:

**(3) Defeased Debt**

As of the current fiscal year-end, the City had defeased certain bonds by placing the proceeds of new bonds in irrevocable trusts to provide for all future debt service payments on the old bonds. Accordingly, the trust account assets and the liability for the defeased bonds are not included in the City's financial statements.

**(4) Short -Term Borrowings**

The City has statutory authorizations to negotiate temporary loans for periods not to extend beyond the fiscal year. The City borrows funds to pay debt service and required pension contributions due before the receipt of the real estate taxes. The City borrowed and repaid \$285.0 million in Tax Revenue Anticipation Notes by June 2011 plus interest. In accordance with statute, there are no temporary loans outstanding at year-end.

**(5) Arbitrage Liability**

The City has several series of General Obligation and Revenue Bonds subject to federal arbitrage requirements. Federal tax legislation requires that the accumulated net excess of interest income on the proceeds of these issues over interest expense paid on the bonds be paid to the federal government at the end of a five-year period. At June 30, 2011, the Aviation Fund and the Water Fund had recorded liabilities of \$0.2 million and \$0.1 million, respectively.

**(6) Pension Service Agreement**

In Fiscal 1999, the Philadelphia Authority for Industrial Development issued \$1.3 billion in Pension Funding Bonds. These bonds were issued pursuant to the provisions of the Pennsylvania Economic Development Financing Law and the Municipal Pension Plan Funding Standard and Recovery Act (Act 205). The bonds are special and limited obligations of PAID. The City entered into a Service Agreement with PAID agreeing to make yearly payments equal to the debt service on the bonds. PAID assigned its interest in the service agreement to the parties providing the financing and in accordance with GASB Interpretation #2, PAID treats this as conduit debt and does not include conduit debt transactions in its financial statements. The Pension Service Agreement of \$1.4 billion is reflected in the City's financial statements in Other Long Term Obligations. The net proceeds of the bond sale of \$1.3 Billion were deposited with the Municipal Pension Fund. The deposit of the proceeds reduced the Unfunded Actuarial Accrued Liability by that same amount. The deposit resulted in reductions to the City's actuarially determined pension plan payments.

**(7) Neighborhood Transformation Initiative Service Agreement**

In Fiscal 2002, RDA issued \$142.6 million in City of Philadelphia Neighborhood Transformation Initiative (NTI) Bonds. These bonds were issued to finance a portion of the initiative undertaken by the Authority and the City to revitalize, renew and redevelop blighted areas of the City. The bonds are obligations of RDA. The City entered into a service agreement with RDA, agreeing to make yearly payments equal to the debt service on the bonds. RDA assigned its interest in the service agreement to the parties providing the financing and in accordance with GASB Interpretation #2; RDA treats this as conduit debt and therefore does not include these transactions on its financial statements.

In Fiscal 2004, RDA issued a \$30.0 million City of Philadelphia NTI Taxable Revenue Bond. The RDA and the City plan to borrow a taxable bank line of credit (the 2003 Bond) to fund certain costs of the NTI related to the acquisition of property. The line of credit is being issued in anticipation of future long term financing. This will allow the City and RDA to better manage the carrying costs of unspent loan proceeds and to possibly issue a portion of the take out financing as tax exempt bonds after obtaining certain state approvals. In fiscal year 2004, \$10.9 million was borrowed from the line of credit.

In March, 2005, RDA issued additional City of Philadelphia Neighborhood Transformation Initiative (NTI) bonds to finance a portion of the initiative previously undertaken by the Authority and the City. Taxable Revenue Bonds Series 2005A issued in the amount of \$25.5 million are term bonds with interest rates ranging from 4.150% to 4.680% maturing through 2016. Qualified Revenue Bonds Series 2005B were issued in the amount of \$44.0 million, with interest rates ranging from 4.75 through 5% and mature through 2027. Revenue Bonds Series 2005C with an interest rate of 5% were issued for \$81.3 million and mature through 2031. The fiscal year 2010 NTI Service Agreement liability of \$252.7 million is reflected in the City's financial statements as another Long Term Obligation.

**(8) Sports Stadium Financing Agreement**

In FY 2002, PAID issued \$346.8 million in Lease Revenue Bonds Series A and B of 2001 to be used to help finance the construction of two new sports stadiums. The bonds are special limited obligations of PAID. The City entered into a series of lease agreements as lessee to the Authority. The lease agreements are known as (1) the Veterans Stadium Sublease, (2) the Phillies' Prime Lease and (3) the Eagles Prime Lease. PAID assigned its interest in the lease agreements to the parties providing the financing and in accordance with GASB Interpretation #2, PAID treats this as conduit debt and therefore does not include these transactions on its financial statements.

In October, 2007 PAID issued Lease Revenue Refunding Bonds Series A and B of 2007. The proceeds from the bonds were used to refund the Series 2001B Stadium Bonds. PAID assigned its interest in the lease agreements to the parties providing the financing and in accordance with GASB Interpretation #2, PAID treats this as conduit debt and therefore does not include these transactions on its financial statements. In fiscal 2010, the Sports Stadium Financing Agreement liability of \$337.1 million is reflected in the City's financial statements as Other Long Term Liabilities.

**(9) Cultural and Commercial Corridors Program Financing Agreement**

In December, 2006, PAID issued \$135.5 million in Revenue Bonds, Series A and B. The proceeds from the bonds will be used to finance a portion of the cost of various commercial and cultural infrastructure programs and administrative and bond issuance cost. The City and PAID signed a service agreement, whereby PAID manages a portion of the funds and the City makes payments equal to the yearly debt service. PAID will distribute some of the proceeds and some will flow through the City's capital project fund. In accordance with GASB Interpretation #2, PAID treats this as conduit debt, and therefore, does not include these transactions in its statements. During fiscal year 2007, none of the proceeds were spent. In fiscal 2010 the liability of \$126.2 million is reflected in the City's financial statements as Other Long Term Liabilities.

**(10) Forward Purchase Agreements**

In June, 2000 the Pennsylvania Intergovernmental Cooperation Authority (PICA), entered into a debt service reserve forward delivery agreement which began August 1, 2003, whereby PICA received a premium of \$4,450,000 on December 1, 2002 for the debt service reserve fund in exchange for the future earnings from the debt service reserve fund investments. Under this agreement PICA is guaranteed a fixed interest rate on the debt service reserve investments of 4.79%. The premium amount will be deferred and recognized as revenue over the remaining life of this agreement or through June 15, 2010 beginning with the first scheduled delivery of the debt service reserve investments in August, 2003.

**(11) Pension Obligation Bond Option Rights**

**City of Philadelphia**  
**Notes to the Financial Statements**  
**For the Fiscal Year Ended June 30, 2011**

---

In July, 2002, the City through PAID sold the option rights relating to \$225 million Pension Funding Income Bonds, Series 1999C. The bonds were structured with provisions which permit the optional redemption or mandatory tender for purchase prior to maturity at any time on or after January 15, 2004, at a purchase price of par plus accrued interest. By selling the rights, the City can no longer cause the mandatory tender for purchase or to optionally redeem the bonds. If the Purchaser exercises the option rights, then upon payment of the exercise price of the option, the Purchaser becomes the new owner of the bonds and is entitled to receive the original fixed rate payments on the Series C bonds. The City realized \$8.1 million from the sale of the option rights.

**17. DEFERRED COMPENSATION PLANS**

---

**A. PRIMARY GOVERNMENT**

The City offers its employees a deferred compensation plan in accordance with Internal Revenue Code section 457. As required by the Code and Pennsylvania laws in effect at June 30, 2009, the assets of the plan are held in trust for the exclusive benefit of the participants and their beneficiaries. In accordance with GASBS #32, *Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*, the City does not include the assets or activity of the plan in its financial statements.

**B. COMPONENT UNITS**

PGW offers its employees a deferred compensation plan in accordance with Internal Revenue Code section 457. As of the Gas Works' fiscal year ended August 31, 1999 the Plan was amended to comply with subsection (g) of the code through the creation of a trust in which all assets and income of the Plan are to be held for the exclusive benefit of participants and their beneficiaries. As a result, the company no longer owns the assets of the Plan nor has a contractual liability to Plan participants.

**18. FUND BALANCE PRESENTATION**

---

The City adopted GASB Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions (GASB 54)* as July 1, 2010. GASB 54 designates fund balance classification that establishes a hierarchy based on the extent to which governments must observe constraints imposed upon the use of fund balances that are reported by the Governmental funds. The governmental funds' balances are reported within the fund balance categories allowable under the GASB 54.

**19. INTERFUND TRANSACTIONS**

---

During the course of normal operations the City has numerous transactions between funds. These transactions are recorded as operating transfers and are reported as other financial sources (uses) in the Governmental Funds and as transfers in the Proprietary Funds. Some of the more significant transfers are: the PICA administrative fund collects a portion of the wage tax paid by City residents and transfers funds that are not needed for debt service and administrative costs to the general fund. Also, the general fund and the PICA administrative fund make transfers to the debt service funds for principal and interest payments.

**20. PENSION PLANS**

---

The City maintains two single employer defined benefit plans for its employees and several of its component units. One blended component unit, PICA, and three discretely presented component units - the SDP, PCCA, and CCP - participate in state administered cost-sharing multiple employer plans. In addition, one discretely presented component unit - RDA - maintains its own single employer defined benefit plans. For the year ending June 30, 2008, the City adopted the requirements of GASB Statement No. 50, *Pension Disclosures*, issued May, 2007.

**A. SINGLE EMPLOYER PLANS**

The two plans maintained by the City are the Municipal Pension Plan (City Plan) and the Gas Works Plan (PGW Plan). The plan maintained by the City's component unit is the Redevelopment Authority of the City of Philadelphia Retirement Plan (RDA Plan).

Financial statements for the City and PGW pension plans are prepared using the accrual basis of accounting. Employee and employer contributions are recognized as revenues when due, pursuant to formal commitments, as well as statutory or contractual requirements.

Required Supplementary Information calculated in accordance with GASBS #25 is presented in audited financial statements of the respective pension plans. Copies of these financial statements may be obtained by contacting the Director of Finance of the City of Philadelphia.

#### 21. ACCUMULATED UNPAID SICK LEAVE

---

City and certain component unit employees are credited with varying amounts of sick leave according to type of employee and/or length of service. City employees may accumulate unused sick leave to predetermined balances. SDP employees have an unlimited maximum accumulation and Gas Works' employees' sick leave is non-cumulative. Non-uniformed employees (upon retirement only) and uniformed employees (upon retirement or in case of death while on active duty) are paid varying amounts ranging from 25% to 50% of unused sick time, not to exceed predetermined amounts. Employees, who separate for any reason other than indicated above, forfeit their entire sick leave. The City budgets for and charges the cost of sick leave as it is taken.

#### 22. OTHER POST EMPLOYMENT BENEFITS (OPEB)

---

During fiscal year 2008, the City adopted GASB Statement No. 45, *Accounting and Financial Reporting by Employers for Post-Employment Benefits Other than Pensions (OPEB)*, issued July, 2004. This statement establishes standards for the measurement, recognition, and display of expenses/expenditures and related liabilities (assets), note disclosures, and if applicable, required supplementary information in the financial reports of state and local governments.

##### A. PRIMARY GOVERNMENT

**Plan description:** The City of Philadelphia self-administers a single employer, defined benefit plan and provides health care for five years subsequent to separation for eligible retirees. Certain union represented employees may defer their coverage until a later date but the amount that the City pays for their health care is limited to the amount that the City would have paid at the date of their retirement. The City also provides lifetime insurance coverage for all eligible retirees. Firefighters are entitled to \$7,500 coverage and all other employees receive \$6,000 in coverage. The plan does not issue stand alone financial statements, and the accounting for the plan is reported within the financial statements of the City of Philadelphia.

**Funding Policy** The City funds its retiree benefits on a pay-as-you-go basis. To provide health care coverage, the City pays a negotiated monthly premium for retirees covered by union contracts or pays the health care providers directly for non unionized employees.

**Actuarial Methods and Assumptions:** Projections of costs for financial reporting purposes are based on the types of benefits provided under the terms of the substantive plan at the time of each valuation and on the pattern of sharing costs between the employer and plan members to that point.

Costs were determined according to the individual entry age actuarial cost method with the attribution period ending at each decrement age. This is consistent with the cost method used for the City of Philadelphia Municipal Retirement System. Unfunded liabilities are funded over a 30 year period as a level percentage of payroll, which is assumed to increase at a compound annual rate of 4% per year. The actuarial assumption included a 5.0% compound annual interest rate on the City's general investments.

#### 23. PENNSYLVANIA INTERGOVERNMENTAL COOPERATION AUTHORITY

---

**PICA**, a body corporate and politic, was organized in June 1991 and exists under and by virtue of the Pennsylvania Intergovernmental Cooperation Authority Act for Cities of the First Class (the Act). Pursuant to the Act, **PICA** was established to provide financial assistance to cities of the first class. The City currently is the only city of the first class in the Commonwealth of Pennsylvania. Under the Act, **PICA** is administered by a governing Board consisting of five voting members and two ex officio non voting members. The Governor of Pennsylvania, the President Pro Tempore of the Pennsylvania Senate, the Minority Leader of the Pennsylvania Senate, the Speaker of the Pennsylvania House of Representatives and the Minority Leader of the Pennsylvania House of Representatives each appoints one voting member to the Board.

The Act provides that, upon **PICA's** approval of a request of the City to **PICA** for financial assistance, **PICA** shall have certain financial and oversight functions. First, **PICA** shall have the power to issue bonds and grant or lend

the proceeds thereof to the City. Second, PICA also shall have the power, in its oversight capacity, to exercise certain advisory and review powers with respect to the City's financial affairs, including the power to review and approve five-year financial plans prepared at least annually by the City and to certify noncompliance by the City with its current five-year financial plan (which certification would require the Secretary of the Budget of the Commonwealth of Pennsylvania to cause certain Commonwealth payments due to the City to be withheld).

PICA bonds are payable from the proceeds of a PICA tax on the wages and income earned by City residents. The City has reduced the amount of wage and earnings tax that it levies on City residents by an amount equal to the PICA tax so that the total tax remains the same. PICA returns to the City any portion of the tax not required to meet their debt service and operating expenses. In Fiscal 2009 this transfer amounted to \$277.6 million.

---

#### **24. RELATED PARTY TRANSACTIONS**

The City is associated, through representation on the respective Board of Directors, with several local governmental organizations and certain quasi-governmental organizations created under the laws of the Commonwealth of Pennsylvania. These organizations are separate legal entities having governmental character and sufficient autonomy in the management of their own affairs to distinguish them as separate independent governmental entities. A list of such related party organizations and a description of significant transactions with the City, where applicable, is as follows:

##### **A. SOUTHEASTERN PENNSYLVANIA TRANSPORTATION AUTHORITY (SEPTA)**

During the year the City provided an operating subsidy of \$65.9 million to SEPTA

##### **B. OTHER ORGANIZATIONS**

The City provides varying levels of subsidy and other support payments (which totaled \$139.3 million during the year) to the following organizations:

- Philadelphia Commercial Development Corporation
- Philadelphia Health Management Corporation
- Philadelphia Industrial Development Corporation
- Fund For Philadelphia Incorporated
- Philadelphia Housing Authority

---

#### **25. RISK MANAGEMENT**

##### **A. PRIMARY GOVERNMENT**

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City (except for Aviation Fund operations, the Municipal Authority and PICA) is self-insured for fire damage, casualty losses, public liability, Worker's Compensation and Unemployment Compensation. The Aviation Fund is self-insured for Workers' Compensation and Unemployment Compensation and insured through insurance carriers for other coverage.

The City covers all claim settlements and judgments, except for those discussed above, out of the resources of the fund associated with the claim. Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. These losses include: an estimate of claims that have been incurred but not reported; the effects of specific, incremental claims adjustment expenditures, salvage, and subrogation; and unallocated claims adjustment expenditures.

The City's Unemployment Compensation and Workers' Compensation coverages are provided through its General Fund. Unemployment Compensation and Workers' Compensation coverages are funded by a pro rata charge to the various funds.

During the last three (3) fiscal years, no claim settlements have exceeded the level of insurance coverage for operations using third party carriers. None of the City's insured losses have been settled with the purchase of annuity contracts.

## 26. CONTINGENCIES

---

### A. PRIMARY GOVERNMENT

#### 1) Claims and Litigation

Generally, claims against the City are payable out of the General Fund, except claims against the City Water Department, City Aviation Division, or Component Units which are paid out of their respective funds and only secondarily out of the General Fund which is then reimbursed for the expenditure. Unless specifically noted otherwise, all claims hereinafter discussed are payable out of the General Fund or the individual Enterprise Fund. The Act of October 5, 1980, P.L. 693, No. 142, known as the "Political Subdivision Tort Claims Act", established a \$500,000 aggregate limitation on damages arising from the same cause of action or transaction or occurrence or series of causes of action, transactions or occurrences with respect to governmental units in the Commonwealth such as the City. The constitutionality of that aggregate limitation has been upheld by the United States Supreme Court. There is no such limitation under federal law.

Various claims have been asserted against the City and in some cases lawsuits have been instituted. Many of these claims are reduced to judgment or otherwise settled in a manner requiring payment by the City. The aggregate estimate of loss deemed to be probable is approximately \$350.9 million. Of this amount, \$30.9 million is charged to current operations of the Enterprise Funds. The remaining \$320.0 million pertaining to the General Fund is reflected in the Government Wide Full Accrual Statements.

In addition to the above, there are certain lawsuits against the City for which an additional loss is reasonably possible. These lawsuits relate to General Fund and Enterprise Fund operations.

## 27. SUBSEQUENT EVENTS

---

### A. PRIMARY GOVERNMENT

- 1) In July 2010, the City issued Water & Wastewater Revenue Bonds Series 2010C (1) through (4) in the amount of \$185.0 million. Sub series (1) are serial bonds issued in the amount of \$116.8 million with interest rates ranging from 3.0% to 5.0%, and a maturity date of 2030. Sub series (2) through (4) are term bonds issued in the amount of \$5.2 million, \$24.6 million, and \$38.4 million respectively. Sub series (2) has an interest rate of 4.750%. Sub series (3) and (4) each have a 5.0% interest rate. Sub series (2) and (3) mature in 2035 and (4) matures in 2040. The proceeds of the bonds together with other available funds of the water department will be used to fund capital improvements to the City's water & wastewater system, fund payments to terminate a portion of the 2007 swap agreement, fund debt service requirements and pay various issuance costs.
- 2) Through September 23, 2011 drawdowns totaling \$19.7 million represent new loans from the Pennsylvania State Infrastructure Financing Authority ("PENNVEST") for: Water Treatment Plant (3.4M); Water Main Replacement (12.6M); and, Green Infrastructure for Stormwater Management (3.7M).

### B. COMPONENT UNITS

- 1) In August 2010, PGW issued Gas Works Revenue Bonds (1998 Ordinance) Ninth Series A through D. Series A, issued in the amount of \$14.2 million are (uninsured) serial bonds with interest rates ranging from 2.0% to 5.0%, maturing in 2015. Series B are (insured) serial bonds issued in the amount of \$38.9 million, with interest rates ranging from 3.0% to 5.0% and mature in 2025. The Series C and D are (uninsured) term bonds issued in the amounts of \$27.1 million and \$69.8 million, have interest rates of 5.0% and 5.25%, and mature in 2030 and 2040 respectively. The proceeds from the bonds will be used to fund Gas Works capital projects and various bond issuance costs.
