INTRODUCTION TO THE FY 2011

PROPOSED OPERATING BUDGET

GENERAL FUND

Introduction to the FY11 Proposed Budget

The 2008-2009 global recession is still wreaking havoc on Philadelphia's economy and affecting the City's fund balances. The unique convergence of a profound financial crisis, the collapse of residential housing markets, a global contraction in economic activity, and soaring unemployment has beset the City with severe contractions in tax revenues, at the same time as the City's contribution into its employee pension fund increased, due to market losses.

This FY11 proposed budget does not include any rate increases for the five major taxes – Wage, Business Privilege, Sales, Property, or Real Estate Transfer taxes. The proposed budget includes departmental reductions as well as the introduction of new revenue sources to balance the shortfall that the recession has caused.

FY 11 Expenditure Reductions:

- Almost \$15 million is saved in the Prisons System, due mostly to a reduced inmate census, and the related ability to house all inmates within the county
- Reducing General Fund appropriations by \$5 million for repaving in the Streets Department, mitigated by ARRA grant funds, as well as Capital Funds.
- \$1.3 million in savings in the waste disposal contract in the Streets Department due to reduced tonnage.
- Tree planting and other park related capital eligible expenses in the Department of Parks and Recreation will be paid out of the Capital Projects Fund saving the General Fund \$1.0 million.
- The Department of Public Health's General Fund's appropriations for ambulatory health will also be reduced by \$3.5 million, mitigated by grant funding and support from the Acute Hospital Tax Assessment Fund.
- The Office of Fleet Management is introducing lease financing for larger vehicles in FY11. \$28.4 million will be spent on new vehicles in FY11, spreading out the costs over 66 months, allowing \$4 million to be saved in FY11

FY 11 New Revenue Sources:

- A Clean Philly Fee will charge residents an annual fee (\$300 or \$200 based on income), which is estimated to raise \$107.7 million. This fee will allow the City to take some of the General Fund revenues that otherwise would pay for sanitation services, and apply them to keep police on patrol, fire companies active, and other critical City services. A portion of the dollars freed up from the fee will be used to expand programs including full service leaf collection, cleaning of vacant lots, and to support neighborhood litter reduction.
- The Healthy Philadelphia Initiative will charge a tax on sugar-sweetened beverages. Multiple studies have demonstrated a link between sugar-sweetened beverages and obesity, and if the costs are fully passed on to consumers, consumption is expected to decrease. This tax is estimated to raise \$38.6 million in FY11.

These two revenue sources will combine to fund restored and new services, while providing sufficient funds to allow the City to avoid making the kind of painful cuts to services that it made in FY09.

SECTION 16. General Provisions

(1) The sums herein appropriated under Items 2.42, 3.6, and 10.9 “To the Director of Finance-Indemnities” shall be used for the purpose of settling claims against the City. Payments therefore shall be made by the Director of Finance only upon the authorization of the City Solicitor or his/her designated representative for this purpose.

(2) If any function is transferred from one office, department, board or commission to another office, department, board or commission, the Director of Finance may not, without Council approval by ordinance, transfer to the successor office, department, board or commission those portions of the appropriations which appertain to the function transferred.

(3) Whenever, pursuant to the provisions of Section 8-401 of the Philadelphia Home Rule Charter, employees of any office, department, board or commission are used by another office, department, board or commission, the compensation of such employees for the period of such use may, at the discretion of the Director of Finance, be charged against the applicable appropriations to the using office, department, board or commission. The Director of Finance shall notify the President of Council, the Chief Clerk of Council and the Chair of the Appropriations Committee at least two (2) days prior to making any such charge against appropriations.

(4) In respect to any grant received by the City under Sections 5, 6, 7 or 9 of this Ordinance, The Director of Finance may, upon written authorization by the grantor transfer non-City funds between and among classes. The authorizations for such transfers shall be transmitted by The Director of Finance to the Clerk of Council within two (2) working days of any such transfer, along with a statement explaining the reason for such transfer. Transfers between and among departments respecting grants of two hundred fifty thousand (250,000) dollars or greater shall not be made except with the prior approval of the Council by resolution or ordinance. Approval shall not be granted to any such transfer request submitted to Council unless it is accompanied by a copy of the grant proposal (and, if received, the grant award) which has caused the transfer request to be made. Transfers between and among departments respecting grants of less than two hundred fifty thousand (250,000) dollars shall be made upon written authorization of the Director of Finance; provided however, that such authorization, along with a full description of the grant affected is transmitted to the President of Council at least two (2) days before the effective date of such authorization.

In respect to funds from the Department of Housing and Urban Development's Community Development Block Grant (CDBG) appropriated under Section 11 of this Ordinance, the limitations set forth in the provisions of Chapter 21-1100 of The Philadelphia Code shall govern any transfer of CDBG funds between and among classes, departments and elements (grants).

(5) In respect to the appropriation made in Item 11.4 of this Ordinance "To the Director of Finance-Community Development Block Grant-To be Allocated", the sums shall not be construed as being available for commitment prior to the adoption of any ordinance appropriating moneys to be made available by the Department of Housing and Urban Development for the Fiscal Year 2011.

(6) The Director of Finance may make adjustments for obligations incurred in Fiscal Year 2010 and prior years. These may be made out of the appropriations therefor to the respective offices, departments, boards, commissions and agencies for Fiscal Year 2011. Within one week of taking any action authorized by this subsection (6), the Director of Finance shall provide written notice to the President and all members of the Council, with a copy to the Chief Clerk of Council, detailing such action.

(7) Except as otherwise provided by this Ordinance, special funds heretofore established pursuant to ordinance or statute, shall continue to be utilized in Fiscal Year 2011 for the purposes and in the manner prescribed by such ordinance or statutes to the extent that they are consistent with the provisions of the Philadelphia Home Rule Charter.

When under the Philadelphia Home Rule Charter an appropriation is a prerequisite to payments of money from such special funds, this paragraph should be construed as an appropriation of the full receipts of such funds for the purpose heretofore authorized by such ordinance or statutes, except that this paragraph shall not be construed as an appropriation of any funds contained in the Housing Trust Fund created under Chapter 21-1600 of The Philadelphia Code, and expenditures from the Housing Trust Fund shall be made only pursuant to appropriations made in Section 14 of this ordinance. The provisions in the prior sentence relating to the Housing Trust Fund are not severable from the remainder of that sentence or from any of the other provisions of this subsection (7), but are essentially and inseparably connected with those provisions, it being Council's intent that no portion of this subsection (7) would have been enacted if it did not also contain the provisions relating to the Housing Trust Fund.

The Director of Finance is authorized and directed to impound the balance of any special fund with respect to which he/she finds that the purposes for which the fund is being expended were intended by ordinance or law to be funded by an appropriation made in other Sections of this Ordinance.

(8) The City Treasurer is authorized and directed to make temporary advances in such amounts as the Director of Finance shall specify between any of the operating funds receiving appropriations in this Ordinance or between any operating fund and the Capital Projects Fund, and the Industrial and Commercial Development Fund, in anticipation of the collection of revenues or other receipts which are estimated to be receivable during the Fiscal Year 2011. Such advances shall bear interest at such rates as the City Treasurer, upon approval of the Director of Finance, shall determine.

(9) The amounts herein appropriated for Purchase of Services; Materials, Supplies and Equipment; Contributions, Indemnities and Taxes; and Debt Service shall be deemed to be available for encumbrance upon the effective date of this Ordinance, to the extent necessary to facilitate the operations of the various offices, departments, boards and commissions for Fiscal Year 2011; provided, that no service shall be rendered prior to July 1, 2010 and no materials, supplies or equipment acquired shall be used in Fiscal Year 2010 except to the extent required to prepare for Fiscal Year 2011.

Such portions of the appropriations herein made for debt service to the Sinking Fund Commission may be paid over to the City's fiscal agent prior to July 1, 2010 as in the judgment of the Director of Finance is necessary to meet interest and principal on the debt of the City due on July 1, 2010.

(10) The Director of Finance is authorized to charge or credit fund balances available for appropriations as of June 30, 2010 to record properly actual charges for Interfund Services for the Fiscal Year 2010.

(11) The Director of Finance is authorized to charge to fund balance payment of any obligation properly incurred in Fiscal Year 2010 or in any prior year, provided that at the time such obligation was incurred an appropriation was available against which it could have been charged, but that such appropriation shall have ceased to exist due to merger into surplus. It is further provided that the payment of any such obligation be in the same manner and subject to the same controls as would have been followed had the obligation been paid in a timely manner. Within one week of taking any action authorized by this subsection (11), the Director of Finance shall provide written notice to the President and all members of Council, with a copy to the Chief Clerk of Council, detailing such action.

(12) Provided that the appropriation contained in Sections 7, 9 and 11 of this Ordinance shall be made available for encumbrances and/or expenditure only when the Director of Finance has certified that he/she has been responsibly advised that funds necessary to finance such appropriation or portion thereof have been received or are to be forthcoming from another government or from a nongovernmental source.
