OUTREACH PROGRAMS at Your Center

Greener Bubbles

Children learn how to make simple natural cleaning products that can keep harmful chemicals OUT of our water supply. The cleaners the children make will be left at each site to begin your green practices program! *Ages 6-14; Group size 10-20; Program length 45 minutes -1 hour.*

Trash Toss

What can you do to reduce the amount of trash that ends up in our waterways? Children will play relay games to learn about recycling, composting and water pollution.

Ages 6-14; Group size 10-20; Program length 45 minutes-1 hour.

Big Tree Bingo

After learning how to measure the height and diameter of trees, children will play an interactive tree bingo game at your site.

Ages 6-14; Group size 10-20; Program length 45 minutes-1 hour.

Where Does The Water Go?

Using a map and simple measuring tools, explore your neighborhood green space and determine the role it plays in your watershed.

Ages 10-14; Group size 10-30; Program length 1 1/2 hours.

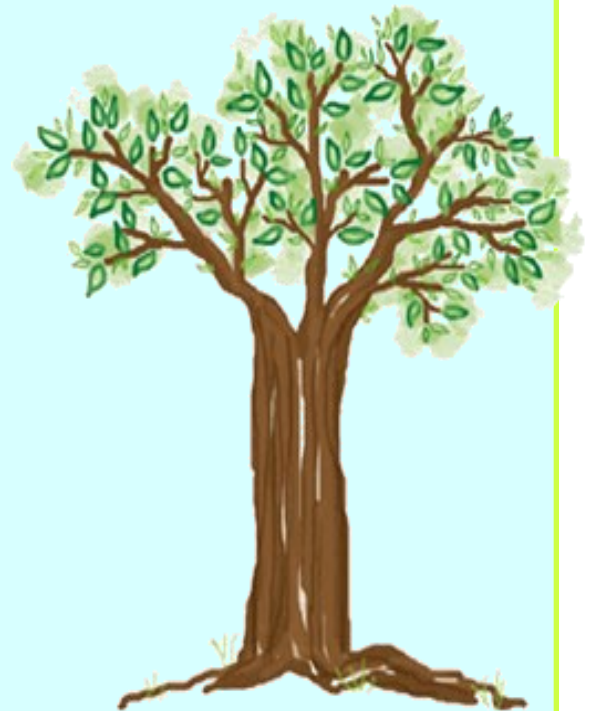

FIELD TRIP to Environmental Centers

Visit a Philadelphia Parks & Recreation environmental center and explore a natural watershed. Hike the trails and go on an exploration along the creek to discover the plants and animals that live there.

All ages; Group size 20-60 (limited by # of staff available); Program is 1 1/2 hours.

Picnic area: Stay after your lesson and picnic at our tables.

Bus transportation is NOT provided.

***You will be contacted by May 6, 2013 if your Recreation Center/ Playground is located in a Green City, Clean Waters neighborhood.**
