

# Nature Ramble

in Cobbs Creek  
and Tacony Creek Parks

If your recreation center summer camp is within **walking distance** of Cobbs Creek Park or Tacony Creek Park, our environmental education staff can meet your campers there for a **Nature Ramble** along the trails.

Look for turtles, butterflies and other critters. Explore the creeks and learn how trees help keep streams healthy. **Free!**

## Time

Most hikes begin at 10 am, but we can work with your schedule.

## Group Size

Depends on number of staff available.

## Dress

Sneakers or walking shoes.
