Dear Mr. Anderson:

We are in receipt of your correspondence dated April 10, 2013, to Colonel Frank Noonan, Commissioner, Pennsylvania State Police, and Chairman of the Municipal Police Officers' Education and Training Commission (Commission) regarding your suggestion to add a Sexual Orientation Training Course to the Human Relations block of instruction in our Basic Training Program for municipal police officers.

Commission staff has discussed your letter with members of the Philadelphia Police Department's Training Bureau and reviewed the topical outline from the California POST that you attached as Exhibit "G". We will share your suggestion with the members of the Commission's Training Committee at our next meeting in June.

Thank you for bringing this matter to my attention.

Sincerely,

A handwritten signature in black ink, appearing to read "Capt. D. E. Grimes", with a horizontal line extending to the right.

Captain Douglas E. Grimes
Interim Executive Director
