**Major Objectives**

To provide a patrol capability with a primary mission of crime prevention , criminal apprehension and traffic supervision.

To provide highly specialized and diversified law enforcement services not routinely available to regular patrol operations.

To ensure the safety and protection of school children in transit to and from school.

To provide in-depth investigation of all law violations to ascertain all details surrounding illegal acts and development of evidence leading to arrest by the Detective Bureau.

**Major Objectives**

The primary objective of the Internal Affairs Bureau is the investigation of complaints against police officers initiated from within the ranks of the Department, from outside law enforcement agencies and through the formal complaint system available to the general public. The unit is responsible for the thorough investigation of the use of force by the Department's officers, including the discharge of firearms. The exercise of such investigations allows for enhanced respectability and improves professionalism in the ranks.

**Major Objectives**

The object of this division is to provide leadership, direction and coordination as the PPD carries out its responsibilities pursuant to law enforcement, order maintenance, crime prevention and crime reduction.

The division has responsibility for establishing and maintaining liaisons with community organizations, conducting internal investigations, handling press inquiries, and coordinating and directing electronic, written, and telephonic inquiries to the Commissioner.

| Program                                | No. | Fund                                 | No. |
| Judiciary and Law Enforcement - Police | 331 | General                              | 01  |

**Major Objectives**

This division is responsible for new policy and program development, strategic communications (internally and externally), legislative liaison, grant development and application, and research and planning. Major objectives of this office for FY 2011 include :

- Coordinating reform initiatives in accordance with the Office of the Mayor;
- Launching updated Internet and Intranet Portals;
- Performing data analysis to support Phillystat;
- Updating key policies; and obtaining additional grant funding.

These objectives are in addition to routine responsibilities of monitoring change initiatives, responding to informal requests, analyzing proposed legislation and policy changes, managing existing grants, and handling emerging policy and legal issues.

**Summary by Class**

| Class | Description                          | Fiscal 2009 Actual Obligations | Fiscal 2010 Original Appropriations | Fiscal 2010 Estimated Obligations | Fiscal 2011 Obligation Level | Increase or (Decrease) |
|-------|--------------------------------------|--------------------------------|-------------------------------------|-----------------------------------|------------------------------|------------------------|

**Major Objectives**

This office supervises the Standards and Accountability Division and the Compstat Unit.

**Standards and Accountability**

Overtime Management Unit - This unit is responsible to analyze and monitor overtime expenses within the Police Department. Both court and non-court overtime is tracked and current operating procedures are monitored for compliance.

Quality Assurance Unit - This unit checks reports for UCR compliance and require corrections of erroneous reports, maintain statistics on error rate and train deficient units so that reports generated from this department are accurate.

Charging Unit / Department Advocate - These units handle matters of internal discipline. Determination of suitable charges lies with the Charging Unit and representation of those charges to the Board of Inquiry lies with the Department Advocate.

**Compstat Unit**

This unit produces weekly snapshots of crime for each of our Patrol Districts and Divisional Detectives. Additionally, they produce data for monthly Compstat meetings which are topic based for the purpose of improving the quality of work within the Department.

**Summary by Class**

| Class | Description                          | Fiscal 2009 Actual Obligations | Fiscal 2010 Original Appropriations | Fiscal 2010 Estimated Obligations | Fiscal 2011 Obligation Level | Increase or (Decrease) |

| Program                                | No. | Fund                                    | No. |
| Judiciary and Law Enforcement - Police | 331 | General                                 | 01  |

**Major Objectives**

**Community Relations** is responsible for training of district Community Relations Officers and Crime Prevention Officers.

**Gang Resistance Education and Training (GREAT)** is a broad based prevention program, taught by specially trained Law Enforcement Officers. The GREAT lessons focus on providing life skills to students to help them avoid delinquent behaviors, violence, and gang membership. The GREAT program offers a continuum of components for students and their families.

**Drug abuse resistance education (DARE)** equips our youth with the skills to resist peer pressure to experiment with and use harmful drugs.

**Police Explores** offers training to young adults 14 to 20 who are interested in a career in the law enforcement profession.

**Victim Services** is the central repository for crime victim claims. Ensuring Victim Assistance Officers are providing services to crime as mandated through the State.

Provides training Victim Assistance Officers in all 23 districts as well as Homicide that can be utilized when aiding and providing information and services to victims of crime.

**PAL**, through sports, educational and cultural activities helps youngsters develop self-esteem and ambition in a free and safe environment.

The 23 centers provide a safe haven in which to meet, play and learn for more than 27,000 boys and girls, ages 6-18. The facilities and programs are supervised by Philadelphia Police Officers specially trained in youth activities and sports.

**Summary by Class**

CITY OF PHILADELPHIA

FISCAL 2011 OPERATING BUDGET

DIVISION SUMMARY

|  |     |                  |     |
|--|-----|------------------|-----|
| Department                             | No. | Division         | No. |
| Police                                 | 11  | Field Operations | 34  |
| Program                                | No. | Fund             | No. |
| Judiciary and Law Enforcement - Police | 331 | General          | 01  |

**Major Objectives**

The primary goal is to reduce crime in the following categories: rape, robbery and burglary.  
 Additionally, increase in number of gun confiscations overall, and an increase in the number of arrests for violations of the uniform firearms act..

Implement a new crime scene training for district personnel to effect an improvement in the number of latent prints recovered at burglary scenes.  
 Reduce the number of complaints against police, and the number of police auto accidents.

None.

**Grant Objective**

This program attempts to "weed" out drug dealers through aggressive law enforcement and "seed" communities with social services.

**Summary by Class**

| Class  | Description                             | Fiscal 2009 Actual Obligations | Fiscal 2010 Original Appropriations | Fiscal 2010 Estimated Obligations | Fiscal 2011 Obligation Level | Increase or (Decrease) |

**Major Objectives**

The Highway Division is responsible for two major functions as defined in the City Charter. "The Highway Division shall ... construct, repair and maintain city streets ... determine the locations, time method and manner... openings or excavations or underground street construction..."

The Division's objectives are to fulfill this mission, by developing and maintaining a well ordered program of street construction and reconstruction, street patching and resurfacing related maintenance.

Major Objectives

The Street Lighting Division is responsible for the design, installation and operation of the city's street lighting system. Major goals of the division are:

1. To minimize energy usage and minimize operating cost by application of state-of-the-art improvements and programmed system maintenance.
2. To keep the system in a good state of repair by reducing the outage rate to a minimum.

Summary by Class

| Class | Description                          | Fiscal 2009 Actual Obligations | Fiscal 2010 Original Appropriations | Fiscal 2010 Estimated Obligations | Fiscal 2011 Obligation Level | Increase or (Decrease) |
|-------|--------------------------------------|--------------------------------|-------------------------------------|-----------------------------------|------------------------------|------------------------|
| (1)   | (2)                                  | (3)                            | (4)                                 | (5)                               | (6)                          | (7)                    |

*Major Objectives*

Traffic Engineering establishes and determines the type and location of all signs, signals, markings and devices for regulating and controlling vehicular and pedestrian traffic. Its employees install, maintain and operate traffic control devices, compile traffic data, prepare engineering studies, and analyze the causes of accidents, so as to provide for the safe flow of traffic in the City.

**Major Objectives**

1. To develop and install a refuse collection system that is cost efficient, environmentally sound and incorporates the most modern technology consistent with good management practices.
2. To develop and implement a viable city-wide street cleaning program.
3. To maximize recycling efforts and waste minimization as part of the City's waste management strategy.
