1. Non-Indebt Clause

Respondent hereby certifies and represents that Respondent and Respondent’s parent company(ies) and

subsidiary(ies) are not currently indebted to the City and will not, if awarded the Agreement, at any time during the term of the Agreement (including any extensions or renewals thereof) be indebted to the City, for or on account of any delinquent taxes (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), liens, judgments, fees or other debts for which no written agreement or payment plan satisfactory to the City has been established. In addition to any other rights or remedies available to the City at law or in equity, the successful Respondent acknowledges that any breach or failure to conform to this certification may, at the option of the City, result in the withholding of payments otherwise due to the successful Respondent under the Agreement and, if such breach or failure is not resolved to the City's satisfaction within a reasonable time frame specified by the City in writing, may result in the offset of any such indebtedness against said payments and/or the termination of this Agreement for default (in which case the successful Respondent shall be liable for all excess costs and other damages resulting from the termination).

The successful Respondent shall require all sub-consultants performing work in connection with the Agreement to be bound by the preceding provision and the successful Respondent shall cooperate fully with the City in exercising the rights and remedies described below or otherwise available at law or in equity.

2. Insurance

Unless otherwise specified, the successful respondent shall, at its sole cost and expense, procure and maintain or cause to be procured and maintained, in full force and effect throughout the term of the Agreement, the types and minimum limits of insurance specified by the Philadelphia Marathon per type of goods and/or services supplied.

All insurance shall be procured from reputable insurers authorized to do business in the Commonwealth of Pennsylvania. All insurance required herein shall be written on an "occurrence" basis and not a "claims-made" basis unless stated otherwise. At least thirty (30) days prior written notice must be given to the City in the event coverage is materially changed, cancelled or non-renewed. The successful Respondent will provide Certificates of Insurance evidencing the required coverage at least ten (10) days before work is begun and at least ten (10) days before each insurance renewal date. The ten (10) day requirement for advance documentation of coverage may be waived in situations where such waiver will benefit the Marathon, but under no circumstances shall Respondent actually begin work (or continue work, in the case of insurance renewal) without providing the required evidence of insurance. The Marathon reserves the right to require Respondent to furnish certified copies of the original policies of all insurance required under the Contract at any time upon ten (10) days prior written notice to Respondent. The insurance requirements set forth herein are not intended and shall not be construed to modify, limit or reduce the indemnifications made in the Contract by Respondent to the Marathon or to limit Respondent's liability under the Contract to the limits of the policies of insurance required to be maintained by Respondent hereunder.

3. Indemnification

The successful Respondent shall indemnify, defend and hold harmless the Philadelphia Marathon, City of Philadelphia, Fairmount Park, and any and all of its officers, employees and agents, from and against any and all losses, costs (including, but not limited to, litigation and settlement costs and counsel fees and expenses), claims, suits, actions, damages, liability and expenses, occasioned wholly or in part by Respondent's act or omission or negligence or fault or the act or omission or negligence or fault of Respondent's agents, subcontractors, independent contractors, suppliers, employees or servants in connection with the Contract that may result from this Bid request. This includes, but is not limited to, those in connection with loss of life, bodily injury, personal injury, damage to property, contamination or adverse effects on the environment, intentional acts, failure to pay any Subcontractors and suppliers, any breach of the Contract, and any infringement or violation of any proprietary right (including, but not limited to, patent, copyright, trademark, service mark and trade secret).

4. Business Interests in Northern Ireland

In accordance with Section 17-104 of The Philadelphia Code, the Respondent by execution of a Contract certifies and represents that (1) Respondent (including any parent company, subsidiary, exclusive distributor or company affiliated with Respondent) does not have, and will not have at any time during the Term of the Contract (including any extensions of the Term), any investments, licenses, franchises, management agreements or operations in Northern Ireland; and (2) No product to be provided to the City under the Contract will originate in Northern Ireland, unless Respondent has implemented the fair employment principles embodied in the MacBride Principles.

In the performance of the Contract, the Respondent agrees that it will not use any suppliers, Subcontractors or subconsultants at any tier (1) Who have (or whose parent, subsidiary, exclusive distributor or company affiliate have) any investments, licenses, franchises, management agreements or operations in Northern Ireland; or (2) Who will provide products originating in Northern Ireland unless said supplier, subconsultant or Subcontractor has implemented the fair employment principles embodied in the MacBride Principles.

Reservation of Rights and Confidentiality

By applying for a notice of contract opportunity, the Respondent understands and agrees to this reservation of rights.

I. Marathon's Reservation of Rights in Connection with the Notice of Contract Opportunity Process

The Marathon reserves and may exercise any one or more of the following rights and options with respect to its notice of contract opportunity process:

1. To reject any and all proposals and to reissue a notice of contract opportunity at any time prior to execution of a final contract;
2. To issue a new notice of contract opportunity with terms and conditions substantially different from those set forth in a previous notice of contract opportunity;
3. To issue a new notice of contract opportunity with terms and conditions that are the same or similar as those set forth in a previous notice of contract opportunity in order to obtain additional proposals;
4. To extend a notice of contract opportunity in order to allow for time to obtain additional proposals prior to the notice of contract opportunity application deadline; or,
5. To cancel a notice of contract opportunity with or without issuing another notice of contract opportunity.

II. Proposal Selection Process and Marathon's Reservation of Rights in Connection with Selection of Proposal(s) for Review

The Marathon reserves and may exercise any one or more of the following rights and options with respect to its selection process:

1. To reject any proposal if, in the Marathon's sole discretion, the proposal is incomplete, the proposal is not responsive to the requirements of a notice of contract opportunity or it is otherwise in the best interest of the Marathon to reject the proposal;
2. To supplement, amend, substitute or otherwise modify a notice of contract opportunity at any time prior to award of one or more Respondents for negotiation;
3. To reject the proposal of any Respondent that, in the Marathon's sole judgment, has been delinquent or unfaithful in the performance of any contract with the Marathon, is financially, or technically incapable or is otherwise not a responsible Respondent;
4. To reject as informal or non-responsive, any proposal which, in the Marathon's sole judgment, is incomplete, is not in conformity with applicable law, is conditioned in any way, deviates from the notice of contract

opportunity or contains erasures, ambiguities, alterations or items of work not called for by the notice of contract opportunity;

5. To waive any informality, defect, non-responsiveness and/or deviation from the notice of contract opportunity that is not, in the Marathon's sole judgment, material to the proposal;
6. To permit or reject, at the Marathon's sole discretion, amendments (including information inadvertently omitted), modifications, clarifying information, alterations and/or corrections to proposals by some or all of the Respondents following proposal submission and before contract award and/or contract execution.
7. The Marathon further reserves the right to conduct on-site investigations of the Respondents' facilities or of those facilities where the Respondent performs its services. Proposals will be evaluated, in part, according to whether the Respondent meets the minimum qualifications and submits a proposal complying with all of the requirements of the notice of contract opportunity.
8. The Marathon reserves the right to enter into negotiations with any or all Respondents regarding price, scope of services, or any other term of their proposals, and such other contractual terms as the Marathon may require, at any time prior to execution of a final contract.
9. The Marathon may, at its sole election, enter into simultaneous, competitive negotiations with multiple Respondents or negotiate with individual Respondents either together or in a sequence. Negotiations with Respondent(s) may result in the expansion or reduction of the scope of services, or changes in other terms and the submitted proposals. In such event, the Marathon shall not be obligated to inform other Respondents of the changes, or to permit them to revise their proposals in light thereof unless the Marathon, in its sole discretion, determines that doing so is in the Marathon's best interest. The Marathon may accept or reject any or all of the items in any proposal and award the contract in whole or in part if it is deemed in the Marathon's best interest.
10. In the event negotiations with any Respondent(s) are not satisfactory to the Marathon, the Marathon reserves the right to discontinue such negotiations at any time; to enter into or continue negotiations with other Respondents; to reissue the notice of contract opportunity in order to solicit new Respondents. The Marathon reserves the right not to enter into any contract with any Respondent, with or without the re-issuance of a notice of contract opportunity, if the Marathon determines that such is in the Marathon's best interest.

IV. Confidentiality and Public Disclosure

The successful Respondent shall treat all information obtained from the Marathon, which is not generally available to the public as confidential and/or proprietary to the Marathon. The successful Respondent shall exercise all reasonable precautions to prevent any information derived from such sources from being disclosed to any other person. The successful Respondent agrees to indemnify and hold harmless the Marathon, its officials and employees, from and against all liability, demands, claims, suits, losses, damages, causes of action, fines and judgments (including attorney's fees) resulting from any use or disclosure of such confidential and/or proprietary information by the successful Respondent or any person acquiring such information, directly or indirectly, from the successful Respondent.

By submission of a proposal, Respondents acknowledge and agree that the Marathon, as a municipal Marathon, is subject to state and local public disclosure laws and, as such, is legally obligated to disclose to the public documents, including proposals, to the extent required thereunder. Without limiting the foregoing sentence, the Marathon's legal obligations shall not be limited or expanded in any way by a Respondent's assertion of confidentiality and/or proprietary data.

APPENDIX A

**CITY OF PHILADELPHIA
OFFICE OF ECONOMIC OPPORTUNITY
ANTIDISCRIMINATION POLICY- MINORITY, WOMAN AND DISABLED OWNED BUSINESS
ENTERPRISES
FORMS, INSTRUCTIONS AND SPECIAL CONTRACT PROVISIONS
(NON-COMPETITIVELY BID CONTRACTS)**

Last Revised: October 26, 2010

Under the authority of Executive Orders No. 02-05 and 14-08, the City of Philadelphia has established an antidiscrimination policy (“Policy”) relating to the participation of Minority (MBE), Woman (WBE) and Disabled (DSBE) Owned Business Enterprises in City contracts. Executive Order 14-08 disestablished the Minority Business Enterprise Council and transferred its administrative functions under Executive Order 02-05 to the Office of Economic Opportunity (“OEO”).

The purpose of this Policy is to provide equal opportunity for all businesses and to assure that City funds are not used, directly or indirectly, to promote, reinforce or perpetuate discriminatory practices. The City is committed to fostering an environment in which all businesses are free to participate in business opportunities without the impediments of discrimination and participate in all City contracts on an equitable basis. In accordance with the contracting requirements of the City, the City’s antidiscrimination policy is applicable to this Notice of Contracting Opportunity (hereinafter, “NOCO”).¹

The Office of Economic Opportunity has approved the following projected ranges of participation for this NOCO which serve as a guide in determining each applicant’s responsibility:

MBE 10 % - 15 %
WBE 5 % - 10 %
DSBE Best Efforts

These ranges represent the percentage of MBE, WBE and/or DSBE (collectively, “M/W/DSBE”) participation that should be attained by M/W/DSBEs from business opportunities existing in the available market absent discrimination in the solicitation and selection of these businesses. These ranges are based upon an analysis of factors such as the size and scope of the contract and the availability of certified M/W/DSBEs to perform various elements of the contract. The submission of a Solicitation For Participation and Commitment Form and any supporting documentation (more fully discussed below) is an element of responsiveness to the NOCO and failure to submit the required information will result in rejection of your proposal.

¹ The term “Notice of Contracting Opportunity,” shortened to the acronym “NOCO,” refers to the City’s contract solicitation documents and information posted on eContract Philly. Generally, these documents take the form of a Request for Proposals (RFP), Request for Qualifications (RFQ) or Request for Expression of Interest (RFI) and include any other document or information (for example, exhibits, appendices) related to the posting of the new contract opportunity.

Applicant hereby verifies that all forms, information and documentation submitted to the OEO are true and correct and is notified that the submission of false information by Applicant is subject to the penalties of 18 Pa.C.S. Section 4904 relating to unsworn falsification to authorities.

A. M/W/DSBE PARTICIPATION

1. Only firms that are certified by an approved certifying agency² or identified in the OEO Certification Registry at the time of contract award will be credited toward the participation ranges on City contracts. An OEO Certification Registry is maintained by the OEO and is available online at www.phila.gov/OEO/directory. Firms owned and controlled by minority persons, women or disabled persons, which are certified as MBE, WBE, DSBE or DBE by an approved certifying agency may apply to the OEO for listing in its OEO Certification Registry. If applicant or applicant's subcontractor(s) is certified by an approved certifying agency, a copy of that certification should be included with the proposal.

2. No applicant that seeks to meet the participation range(s) for participation by entering into subcontracts with any M/W/DSBE subcontractor shall be considered to meet the range(s) if the M/W/DSBE subcontractor does not perform a commercially acceptable function ("CAF"). A M/W/DSBE is considered to perform a CAF when it engages in meaningful work or supply effort that provides for a distinct element of the subcontract (as required by the work to be performed in accordance with the NOCO), where the distinct element is worthy of the dollar amount of the subcontract and where the M/W/DSBE carries out its responsibilities by actually performing, managing and supervising the work involved. The OEO may evaluate the amount of work subcontracted, industry practices and any other relevant factors in determining whether the M/W/DSBE is performing a CAF. If it is determined during the review of your Solicitation and Commitment Form that the work described on the Form does not constitute a CAF, your proposal may be rejected.

3. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g. MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The firm will not be credited toward more than one category. Applicants will note with their submission which category, MBE or WBE or DSBE, is submitted for credit.

4. An MBE/WBE/DSBE submitting as the prime applicant is required, like all other applicants, to submit a proposal that is responsive to the Policy and will only receive credit toward the relevant participation ranges (e.g., MBE range or WBE range or DSBE range) for the amount of its own work or supply effort on this NOCO. In addition, the participation of an M/W/DSBE partner, as part of a joint venture created for this contract, may be credited towards the participation ranges only to the extent of the M/W/DSBE partner's ownership interest in the joint venture in accordance with the following criteria:

- The MBE, WBE or DSBE partner(s) must be identified in the OEO Registry prior to contract award;
- The M/W/DSBE partner(s) must derive substantial benefit from the arrangement;
- The M/W/DSBE partner(s) must be substantially involved in all phases of the contract including planning, staffing and daily management;

² Approved certifying agencies are identified on the OEO webpage found at www.phila.gov/OEO.

- The business arrangement must be customary (i.e., each partner shares in the risk and profits of the joint venture commensurate with their ownership interest, contributes working capital and other resources, etc).

5. M/W/DSBE subcontractors must perform at least twenty percent (20%) of the cost of the subcontract (not including the cost of materials, equipment or supplies incident to the performance of the subcontract) with their own employees.

6. In listing participation commitments on the Solicitation for Participation and Commitment Form, applicants are required to list a detailed description of the work or supply effort, the dollar amount of the quotation, and percentage of the contract the participation represents. In calculating the percentage amount, applicants may apply the standard mathematical rules in rounding off numbers. The OEO reserves the right to request clarifying information from applicants in the event of an inconsistency or ambiguity in the Solicitation For Participation and Commitment Form.

B. RESPONSIVENESS

1. A proposal responsive to the Policy is one which contains documentary evidence of the M/W/DSBEs that have been solicited and that will be used by the applicant on the contract, if awarded; where the proposal satisfies the M/W/DSBE participation ranges for that contract, the applicant is rebuttably presumed not to have discriminated in its selection of contract participants.

2. Applicants must submit documentary evidence of MBE, WBE and DSBEs who have been solicited and with whom commitments have been made in response to the participation ranges included in this NOCO. Failure to submit the Solicitation For Participation and Commitment Form will result in the rejection of the proposal as nonresponsive, although the City, at its sole discretion, may allow applicants to submit or amend the Solicitation For Participation and Commitment Form at any time prior to award. The Solicitation For Participation and Commitment Form must contain the following information:

- Documentation of all solicitations (regardless of whether commitments resulted therefrom) as well as all commitments made on the enclosed document entitled “Solicitation For Participation and Commitment Form”. Applicants should only make actual solicitations of M/W/DSBEs whose work or materials are within the scope of this NOCO. Mass mailing of a general nature to M/W/DSBEs or similar methods will not be deemed solicitation, but rather will be treated as informational notification only. A reasonable period of time should be given to all solicited firms to ensure that they have sufficient time to adequately prepare their quotes/subproposals. The applicant’s listing of a commitment with an M/W/DSBE constitutes a representation that the applicant has made a legally binding commitment to contract with such firm, upon receipt of a contract award from the City.
- If the applicant has entered into a joint venture with an MBE, WBE and/or DSBE partner, the applicant is also required to submit along with the Solicitation For Participation and Commitment Form, a document entitled “Joint Venture Eligibility Information Form,” available at OEO, for the City’s review and approval of the joint venture arrangement.

3. If Applicant does not fully meet each of the range(s) for participation established for this NOCO, applicant must explain what efforts the applicant made to achieve the M/W/DSBE participation ranges. Applicant must demonstrate, through the submission of documentary evidence, that it took all necessary

steps and made reasonable efforts to achieve the M/W/DSBE participation ranges, even if these efforts were not fully successful. OEO will evaluate the scope, intensity and appropriateness of these efforts to ascertain whether they could reasonably be expected to achieve M/W/DSBE participation commensurate with the ranges. Failure to submit the documentary evidence will result in rejection of the proposal as nonresponsive, although the City, at its sole discretion, may allow applicants to submit or amend their evidentiary submission at any time prior to award. The submission shall contain and discuss, at a minimum, the following:

- Provide reasons for not committing with any MBE/WBE/DSBEs that submitted a quote/subproposal, regardless of whether the quote/subproposal was solicited by applicant.
- Provide any additional evidence pertinent to applicant's conduct relating to this NOCO including sufficient evidence which demonstrates to the OEO that applicant has not engaged in discriminatory practices in the solicitation of and commitment with contract participants. In describing applicant's efforts to achieve participation within the ranges, applicant may submit any corroborating documentation (e.g., copies of advertisements for participation).

The applicant's documentary evidence will be reviewed by the OEO to ascertain whether discrimination has occurred in the solicitation or selection of contract participants. The review will include consideration of the following:

- Whether the applicant's actions were motivated by considerations of race or gender or disability. The OEO may investigate the applicant's contracting activities and business practices on similar public and private sector contracts. For example, if applicant rejects any M/W/DSBE based on price, applicant must fully document its reasons for the rejection and also demonstrate that applicant subjects non-M/W/DSBEs to the same pricing standards. OEO will investigate whether there was any attempt at good faith negotiation of price.
- Whether M/W/DSBEs were treated as equally as other businesses in the solicitation and commitment process. For example, the OEO will investigate whether M/W/DSBEs are given the same information, access to the plans and requirements of the contract and given adequate amount of time to prepare a quote/subproposal as others who were solicited by applicant. The OEO will also investigate whether M/W/DSBEs were accorded the same level of outreach as non-M/W/DSBEs, for example whether applicant short listed M/W/DSBEs for participation or solicited M/W/DSBEs at any pre-proposal meetings.
- Whether the applicant's contracting decisions were based upon policies which disparately affect M/W/DSBEs. OEO will ascertain whether applicant selected portions of work or material needs consistent with the capacity of available M/W/DSBE subcontractors and suppliers. OEO will consider whether applicant employed policies which facilitate the participation of M/W/DSBEs on City contracts such as segmentation of the contract or prompt payment practices.

4. After review of the applicant's submission and other information the OEO deems relevant to its evaluation, the OEO will make a written determination that will be forwarded to the awarding City Department.

- If the proposal is determined nonresponsive by the OEO, the applicant will be notified and may file a written appeal with the OEO within forty-eight (48) hours of the date of notification. The decision of the OEO may be appealed in writing within forty-eight (48)

hours of the date of the OEO's decision to the Chief Operating Officer of the Commerce Department or his/her designee whose decision shall be final.

C. RESPONSIBILITY

1. Upon award, the completed Solicitation For Participation and Commitment Form and accompanying documents regarding solicitation and commitments with MBEs, WBEs and DSBEs become part of the contract. M/W/DSBE percentage commitments are to be maintained throughout the term of the contract and shall apply to the total contract value (including amendments). Any change in commitment, including but not limited to substitutions for the listed firm(s), changes or reductions in the work and/or listed dollar/percentage amounts, must be pre-approved in writing by the OEO.

2. The successful applicant shall, within five (5) business days after receipt of a payment from the City for work performed under the contract, deliver to its M/W/DSBE subcontractors the proportionate share of such payment for work performed (including the supply of materials) by its M/W/DSBE subcontractors. In connection with payment of its M/W/DSBE subcontractors, the successful applicant agrees to fully comply with the City's payment reporting process which may include the use of electronic payment verification systems.

3. No privity of contract exists between the City and any M/W/DSBE subcontractor identified in any contract resulting from this NOCO. The City does not intend to give or confer upon any such M/W/DSBE subcontractor(s) any legal rights or remedies in connection with the subcontracted services under Executive Orders 2-05 and 14-08 or by reason of any contract resulting from the NOCO except such rights or remedies that the M/W/DSBE subcontractor may seek as a private cause of action under any legally binding contract to which it may be a party.

4. If the OEO determines that the applicant has discriminated against a M/W/DSBE at any time during the term of the contract, the OEO may recommend to the Director of Finance the imposition of sanctions on the applicant including debarment of the applicant from submitting and/or participating in future City contracts for a period of up to three (3) years.

D. ACCESS TO INFORMATION

1. The OEO shall have the right to make site visits to the applicant's place of business and/or job site and obtain documents and information from any applicant, subcontractor, supplier, manufacturer or contract participant that may be required in order to ascertain applicant's responsiveness and responsibility.

2. Failure to cooperate with the OEO in its review may result in a recommendation to terminate the contract.

E. RECORDS AND REPORTS

1. The successful applicant shall maintain all books and records relating to its M/W/DSBE commitments (e.g. copies of quotations, subcontracts, joint venture agreement, correspondence, cancelled checks, invoices, telephone logs) for a period of at least three (3) years following acceptance of final payment. These records shall be made available for inspection by the OEO and/or other appropriate City officials. The successful applicant agrees to submit reports and other documentation to the OEO as deemed necessary by the OEO to ascertain the successful applicant's fulfillment of its M/W/DSBE commitments.

F. REMEDIES

Disclosure Forms

Directions:

1. Please read the following information regarding the completion of these disclosure forms. Please review the definitions prior to completing any form.
2. Date and initial the top of each form after you have completed it and sign the form on the last page.
3. NOTE: There are two different types of campaign contribution disclosure forms: one for those who are applying as individuals and one for those applying as businesses. Only fill out one type of form. (If you have used a consultant with respect to applying for this non-competitively bid contract you will have to fill out a campaign contribution disclosure form for them as well.)

Getting Started

There are five sets of disclosure forms enclosed in this packet. You must provide information for each disclosure form. The information you must disclose includes:

3. Any subcontractors you are planning to use if awarded this contract;
4. Whether a Fund for Philadelphia employee or official asked you to give money, services, or any other thing of value to any individual or entity; and

More information on Disclosing Campaign Contributions

Applicants for contract opportunities must disclose any contributions they made to:

- An incumbent in any public office in the Commonwealth of Pennsylvania
- A political committee or state party in the Commonwealth of Pennsylvania
- A group, committee, or association organized in support of any candidate, office holder, political committee or state party in the Commonwealth of Pennsylvania

Attribution Rules. In addition to disclosing contributions made directly by the applicant, the applicant will be asked to supply information on other types of contributions. The campaign contribution disclosure forms will include questions that specifically ask for information on these other types of contributions. These contributions will be attributed to the individual or business and will be used to determine the applicant's eligibility to be awarded a contract.

Businesses (i.e. corporation, limited liability company, partnership association, joint venture, or any other legal entity) have to disclose contributions made by the following:

- Applicant business
- Parent, subsidiary, or otherwise affiliated entity of the applicant business ("affiliate")
- An individual or business that is then reimbursed by the applicant business or affiliate
- Officers, directors, controlling shareholders, or partners of the for-profit applicant business or for-profit affiliate
- Political action committee controlled by applicant business or affiliate
- Political action committee controlled by officer, director, controlling shareholder, or partner of the for-profit applicant business or for-profit affiliate

Individuals have to disclose contributions made by the following:

- Applicant individual
- Member of individual's immediate family (i.e., spouse, life partner, or dependent child living at home), when contributions are in excess of \$2600

In addition to direct contributions to candidates, incumbents, or political committees in the Commonwealth of Pennsylvania, applicants are also required to disclose:

1. Contributions not directly given to a candidate, incumbent, or political committee but made with the intent that the contribution will benefit the candidate, incumbent, or political committee;
2. Solicitation of contributions on behalf of a candidate, incumbent, or political committee, including the hosting of or solicitation at fundraising events (required to disclose details regarding the date of event and amount raised); and
3. Contributions not made directly by the individual/business to a candidate, incumbent, or political committee but furnished by the individual / business (as an "intermediary").

Eligibility Restrictions

If an individual makes contributions totaling over \$2,600 in one calendar year to a candidate for City elective office or to an incumbent, the individual is not eligible to receive a non-competitively bid contract during that candidate's or incumbent's term of office.

If a business makes contributions totaling over \$10,600 in one calendar year to a candidate for City elective office or to an incumbent, the business is not eligible to receive a non-competitively bid contract during that candidate's or incumbent's term of office.

Although individuals and businesses have to disclose campaign contributions made during the two years prior to the deadline for completing these forms, the eligibility restrictions take into consideration only those contributions made on or after January 1, 2006.

→ **Note on Eligibility:** If a candidate for any City elective office contributes \$250,000 or more from his or her personal resources to his or her campaign, then the eligibility thresholds for individuals and businesses shall double with respect to contributions to all candidates for that same elective office (i.e. \$5,200 for individuals and \$21,200 for businesses).
