Swim For Life

Francis & Shirley 19130
Philadelphia Department of Recreation @ Francisville Playground

Provides swimming. The camp offers participants two options: instructional and competitive. The instructional option provides children with the opportunity to learn how to swim. This option focuses on introducing the campers to the basics of swimming, from overcoming fear of the water to learning the proper basic swim techniques. The competitive option is designed for participants who already have some swimming skill. Training in this option focuses the kids on developing all four competitive swim strokes (freestyle, backstroke, breaststroke and butterfly). Campers also work on starts and turns and physical conditioning. All campers receive instruction in basic boating and water safety. Campers from all ten sites participate in a swim meet, testing their skills against other swimmers from throughout the city. Campers also attend one trip each week of the camp season. Breakfast and lunch are provided for all campers. Transportation is not provided. Fee required. Call for other locations. For more information c

Swim For Life

Francis & Shirley 19130
Philadelphia Department of Recreation @ Francisville Playground

Provides swimming. The camp offers participants two options: instructional and competitive. The instructional option provides children with the opportunity to learn how to swim. This option focuses on introducing the campers to the basics of swimming, from overcoming fear of the water to learning the proper basic swim techniques. The competitive option is designed for participants who already have some swimming skill. Training in this option focuses the kids on developing all four competitive swim strokes (freestyle, backstroke, breaststroke and butterfly). Campers also work on starts and turns and physical conditioning. All campers receive instruction in basic boating and water safety. Campers from all ten sites participate in a swim meet, testing their skills against other swimmers from throughout the city. Campers also attend one trip each week of the camp season. Breakfast and lunch are provided for all campers. Transportation is not provided. Fee required. Call for other locations. For more information c

Swim for Life

57th & Haverford 19131
Philadelphia Department of Recreation
@ Shepard Recreation Center

Provides swimming. The camp offers participants two options: instructional and competitive. The instructional option provides children with the opportunity to learn how to swim. This option focuses on introducing the campers to the basics of swimming, from overcoming fear of the water to learning the proper basic swim techniques. The competitive option is designed for participants who already have some swimming skill. Training in this option focuses the kids on developing all four competitive swim strokes (freestyle, backstroke, breaststroke and butterfly). Campers also work on starts and turns and physical conditioning. All campers receive instruction in basic boating and water safety. Campers from all ten sites participate in a swim meet, testing their skills against other swimmers from throughout the city. Campers also attend one trip each week of the camp season. Breakfast and lunch are provided for all campers. Transportation is not provided. Fee required. Call for other locations. For m

Swim for Life

Ella & Wyoming 19120
Philadelphia Department of Recreation @ Feltonville Recreation Center

Provides swimming. The camp offers participants two options: instructional and competitive. The instructional option provides children with the opportunity to learn how to swim. This option focuses on introducing the campers to the basics of swimming, from overcoming fear of the water to learning the proper basic swim techniques. The competitive option is designed for participants who already have some swimming skill. Training in this option focuses the kids on developing all four competitive swim strokes (freestyle, backstroke, breaststroke and butterfly). Campers also work on starts and turns and physical conditioning. All campers receive instruction in basic boating and water safety. Campers from all ten sites participate in a swim meet, testing their skills against other swimmers from throughout the city. Campers also attend one trip each week of the camp season. Breakfast and lunch are provided for all campers. Transportation is not provided. Fee required. Call for other locations. For more information c
