

# **Tax Reform Commission Impact on Core City Services**

# Essential City Services

Citizens have a right to expect the city to provide core city services.

# Essential City Services

Police

Fire

Free Library

Recreation

Streets

# Police

Jobs Eliminated: **632**

Budget Savings: **\$36,477,500**

## Impact on Service

This cut would mean 24 fewer police officers per district, a loss of 8 police officers per squad. **This would compromise public safety throughout the city.**

# Fire

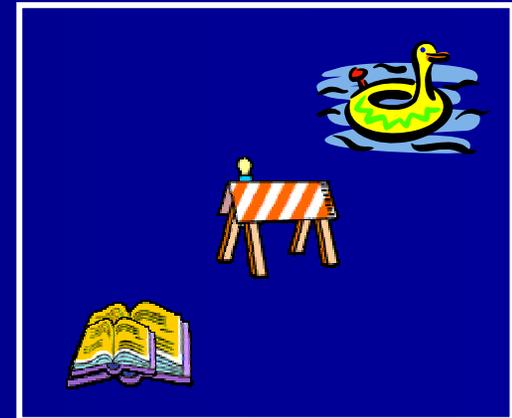

Jobs Eliminated: **186**

Budget Savings: **\$11,817,940**

## Impact on Service

This cut would require the closing of an additional **five** engine companies and an additional **five** ladder companies

# Free Library

Jobs Eliminated: **50**

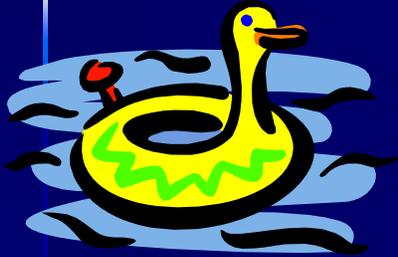

Budget Savings: **\$2,625,399**

## Impact on Service

This cut would require either the closing of **eight** branch libraries **or** the elimination of Saturday service along with closing **four** branch libraries.

# Recreation

Jobs Eliminated: **43**

Budget Savings: **\$2,400,053**

## Impact on Service

This cut would require the closing of an additional 20 recreation centers.

# Streets

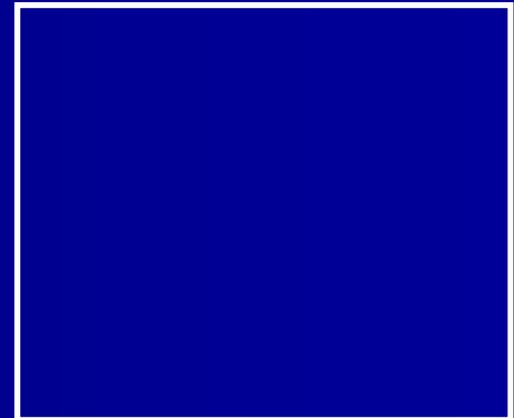

Jobs Eliminated: **110**

Budget Savings: **\$5,125,254**

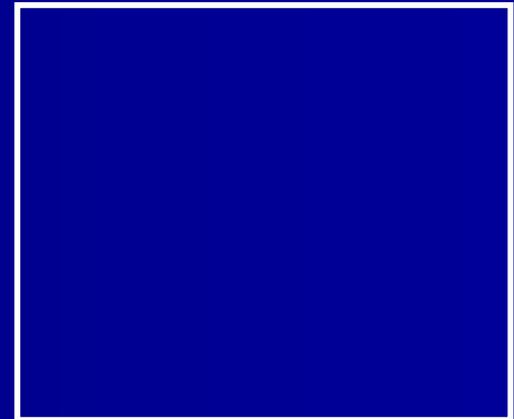

## Impact on Service

As a result of these cuts, all residential snow removal would be halted, the number of miles paved cut from 100 miles to 50 miles, eliminate all bulk collections and residential street sweeping.

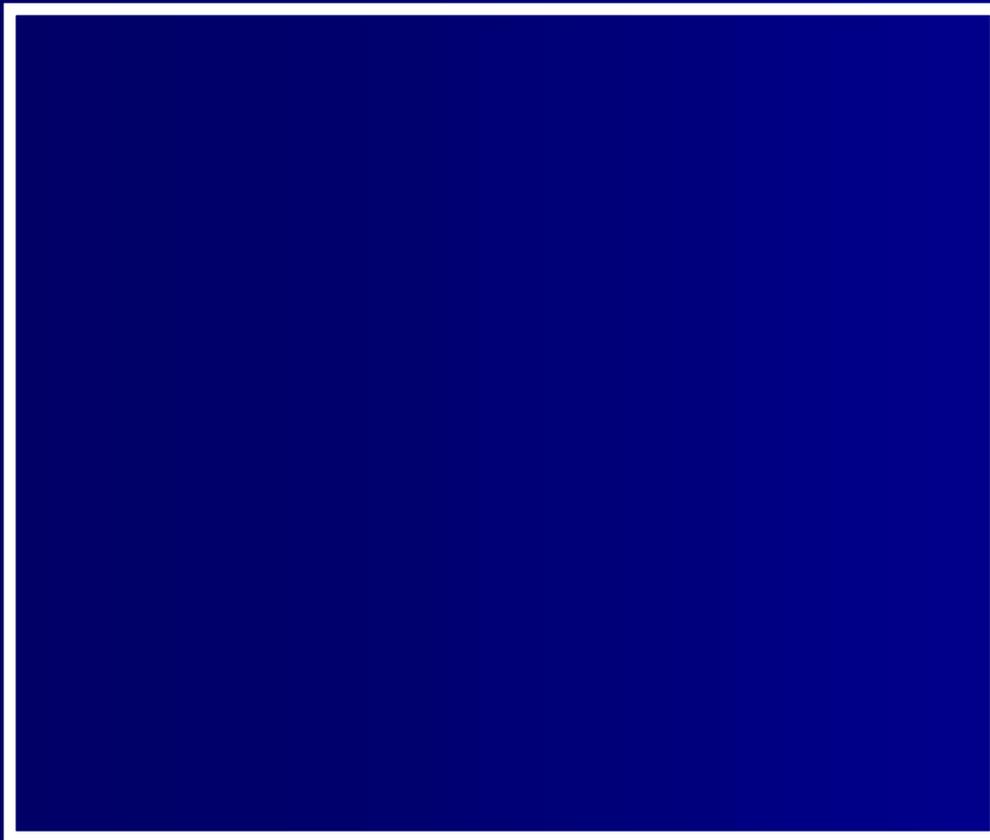

# What's Left

After we make  
**\$58,446,146** in  
budget cuts to pay for  
an irresponsible tax cut,  
**what do we have left  
over?**

# What's Left

**A City  
that no  
one  
wants to  
live in.**

# Support Responsible Tax Reform

That  
protects  
core city  
services
