## Volunteer for 2002 Clean Sweep and Beautification Effort

PHILADELPHIA, PA—(May 29, 2002)—As part of the Philadelphia Housing Authority and Tenant Support Services, Inc. **2002 Clean Sweep** initiative, the City and Housing Authority will launch a comprehensive and sustained citywide clean up on **Saturday, June 15, 2002**. PHA and the Mayor's Neighborhood Transformation Initiative and Philadelphia More Beautiful and other partners will provide resources and coordination to assist thousands of volunteers as they make this city shine with a good spring cleaning.

How can you help make the **2002 Clean Sweep** a success? By volunteering to grab a broom, bag some trash, or shovel a trash filled lot, you can make a difference. Philadelphia, it **does** start with you. Everyone—including residents, businesses, schools and faith-based organizations—is encouraged to volunteer to help make Philadelphia shine once again.

An army of 20,000 volunteers made Philadelphia sparkle last year. The call is going out again and we need you to answer the charge.
