

Parking Tax

The Parking Tax is levied on the gross receipts from all financial transactions involving the parking or storing of automobiles or other motor vehicles in outdoor or indoor parking lots and garages situated in the City of Philadelphia.

The Parking Tax is imposed on every person parking or storing a motor vehicle in or on a parking facility in Philadelphia, at the rate of 15% of the amount charged for the parking transaction.

The person operating or conducting the parking facility is responsible for issuing the claim check, collecting the tax and paying it to the City.

There is no transaction subject to tax where the tenant or owner is entitled to parking privileges in connection with the lease or ownership of a living unit if no additional consideration is paid for the parking privilege.
