INTRODUCTION TO THE FY 2016

PROPOSED OPERATING BUDGET

GENERAL FUND

Introduction to the FY16 Proposed Budget

Despite the limited flexibility inherent in the City's finances, the proposed FY16 budget includes a number of important investments. The largest investment in the FY16 proposed budget is to strengthen the Department of Licenses and Inspections (L+I). This investment and others are described in more detail on the next page.

Philadelphia's economy has a substantial effect on the City's budget and constrains the City's finances, as local tax revenues account for the majority of the City's general fund revenue. The City's tax revenues are now showing overall moderate growth, although growth is still uneven and in some cases slower than economists had expected. Even with this overall tax growth, the City's General Fund balances remain low throughout the Five Year Plan.

The budget and five year plan tax projections were made in conjunction with a revenue forecasting consultant, and after discussions with leading economists at the Federal Reserve Bank of Philadelphia. Tax revenues in FY15 are projected to perform better than budgeted largely due to positive adjustments to the Real Property Transfer Tax (RTT) and the Wage and Earnings Tax together with negative adjustments to the Sales Tax and Real Property Tax. While Wage and Earnings Tax as well as RTT have come in above projections for the first half of FY15, Sales Tax has performed below budget. In addition, the Real Property Tax is projected to be slightly below projections due to higher than anticipated appeal losses.

In the proposed FY16 budget, total revenues increase 1.8% to total \$3.85 billion. Total tax revenues in FY16 are estimated at \$2.856 billion, an increase of \$77 million or 2.8% over FY15's projections. The FY16 Proposed Budget includes the continuation of wage tax cuts which were resumed in FY14 after being halted during the recession. Multiple studies and two tax reform commissions have concluded that wage tax reductions encourage businesses to locate and expand in Philadelphia, increasing jobs over time. In addition, the FY16 revenues reflect an additional \$23.0 million reduction in Business Income and Receipts Tax due to the tax reform legislation passed in FY12. These reductions are partially offset by projected growth in the City's tax bases. The Wage and Earnings Tax base is projected to grow at 4.8% in FY15 as the economy recovery occurs and then moderate slightly to 4.1% in FY16. The Business Income and Receipts Tax (BIRT) base is projected to grow at 3.0% in FY16. The Sales Tax base which has had weak growth to date is projected to only grow 0.3% in FY15, increasing to 2.1% in FY16. Adjusting for the net impact of appeals, the real estate tax base is projected to decline by 1.73% in FY15. As FY14 appeals are not yet complete, the Office of Property Assessment will complete a partial

reassessment for FY16 of areas in the city where residential properties may have been under or overvalued. Because of only conducting a partial reassessment, tax base growth is anticipated to be only 1.5%. The next citywide reassessment of all properties will occur for FY17. The Realty Transfer Tax base is projected to have strong 20.0% growth in FY15 and 10.0% in FY16.

The proposed FY16 expenditures total \$3.95 billion, an increase of \$89.6 million or 2.3% from the FY15 projection, primarily a result of rising pension and health/medical costs and \$27.4 million due to arbitration award costs for the Police Department. The remaining \$11.5 million represents a net increase of only 0.3%.

Taken together the City's revenue and obligation projections result in a projected general fund balance level of \$65.4 million, which is much lower than the levels recommended by the Government Finance Officer's Association.

The largest investment in the FY16 proposed budget is \$5.5 million to strengthen the Department of Licenses and Inspections (L+I) as recommended by the Special Independent Advisory Commission. In FY17 this investment rises to \$9.7 million and in FY18 it rises to \$10.8 million. The phase-in approach was selected to allow initiatives that could be implemented in the short term to be funded in FY16, while those requiring more time for recruitment and training of staff and cross-departmental collaboration were identified for funding in FY17 or FY18. Initiatives that are funded in FY16 were decided upon based on their direct impact to public safety. The \$5.5 million FY16 investment is allocated as follows: \$3.0 million to L+I, \$1.2 million to the Fire Department, \$1.1 million for employee benefits associated with the 43 new hires in FY16, and \$160,000 split between the Managing Director's Office and the Office of Information and Technology to support L+I.

Other key investments include:

- \$3.9 million for the Department of Parks and Recreation to expand the Summer Jobs program to help with youth unemployment. In addition to significantly increasing the number of summer jobs available to young people, the program will work year-round to prepare hundreds of both school age children and out of school youth to enter the workforce.
- \$3.4 million for the Community College of Philadelphia to offset the need for a tuition increase as well as to fund capital needs.

- \$3.6 million for the Police Department to begin implementing the use of body cameras (\$500,000) and for ballistic vests, tasers, and ammunition for additional training exercises (\$3.1 million).
- \$3.0 million to the Office of Fleet Management to replace aged unreliable vehicles for citywide departments. This increase is coupled with a \$5.0 million increase in the FY16 capital budget to replace, older large specialty vehicles in Streets and Fire.
- \$2.5 million for the Office of Innovation and Technology to institute a five-year replacement schedule for PCs across city departments (\$2.0 million) and to fund operating costs associated with a new data warehouse for the Revenue Department (\$540,000) which is expected to generate additional delinquent tax revenue.
- \$1.0 million for the Free Library to fund the Read by 4th! Campaign to help ensure that all City school children are reading at grade level by the time they enter the 4th grade by 2020.
- \$1.1 million to the Commerce Department to fund the Philly Talent Collaborative, an economic strategy through the Grad Coach Campaign and PhillyGoes2College as well as Campus Philly and Graduate! to help students stay in school, go to college and stay in Philadelphia once they graduate.
- \$1.6 million to the Revenue Department allocated as follows: \$1.3 million to fund an Earned Income Tax Credit (EITC) filing program to encourage the 40,000 Philadelphians that are eligible for the EITC and not filing to file and claim their benefits, and \$300,000 to fund increased costs of postage.
- \$1.0 million to Public Property to fund increased contractual obligations, maintenance for the exterior of City Hall, and to fund a study on records management in advance of a significant space move for the City's records.
 - \$895,000 to the Fire Department for equipment purchases and for the cleaning of bunker gear.

- \$686,000 to the District Attorney largely to fund increased costs of contractual obligations.
- \$520,000 to the City Commissioners to fund ongoing maintenance of the City's voting machines.

Each of these investments is essential to meeting at least one of the five goals that the Mayor has established for the City. These goals are for Philadelphia to become one of the safest cities in America, to improve the education and health of Philadelphians, to make Philadelphia a place of choice, to become the greenest and most sustainable city in America, and for our government to work efficiently and effectively.

SECTION 16. General Provisions

(1) The sums herein appropriated under Items 2.41, 3.7, and 10.10 “To the Director of Finance-Indemnities” shall be used for the purpose of settling claims against the City. Payments therefore shall be made by the Director of Finance only upon the authorization of the City Solicitor or his/her designated representative for this purpose.

(2) If any function is transferred from one office, department, board or commission to another office, department, board or commission, the Director of Finance may not, without Council approval by ordinance, transfer to the successor office, department, board or commission those portions of the appropriations which appertain to the function transferred.

(3) Whenever, pursuant to the provisions of Section 8-401 of the Philadelphia Home Rule Charter, employees of any office, department, board or commission are used by another office, department, board or commission, the compensation of such employees for the period of such use may, at the discretion of the Director of Finance, be charged against the applicable appropriations to the using office, department, board or commission. The Director of Finance shall notify the President of Council, the Chief Clerk of Council and the Chair of the Appropriations Committee at least two (2) days prior to making any such charge against appropriations.

(4) In respect to any grant received by the City under Sections 5, 6, 7 or 9 of this Ordinance, The Director of Finance may, upon written authorization by the grantor transfer non-City funds between and among classes. The authorizations for such transfers shall be transmitted by The Director of Finance to the Clerk of Council within two (2) working days of any such transfer, along with a statement explaining the reason for such transfer. Transfers between and among departments respecting grants of two hundred fifty thousand (250,000) dollars or greater shall not be made except with the prior approval of the Council by resolution or ordinance. Approval shall not be granted to any such transfer request submitted to Council unless it is accompanied by a copy of the grant proposal (and, if received, the grant award) which has caused the transfer request to be made. Transfers between and among departments respecting grants of less than two hundred fifty thousand (250,000) dollars shall be made upon written authorization of the Director of Finance; provided however, that such authorization, along with a full description of

the grant affected is transmitted to the President of Council at least two (2) days before the effective date of such authorization.

In respect to funds from the Department of Housing and Urban Development's Community Development Block Grant (CDBG) appropriated under Section 11 of this Ordinance, the limitations set forth in the provisions of Chapter 21-1100 of The Philadelphia Code shall govern any transfer of CDBG funds between and among classes, departments and elements (grants).

(5) In respect to the appropriation made in Item 11.4 of this Ordinance "To the Director of Finance-Community Development Block Grant-To be Allocated", the sums shall not be construed as being available for commitment prior to the adoption of any ordinance appropriating moneys to be made available by the Department of Housing and Urban Development for the Fiscal Year 2016.

(6) The Director of Finance may make adjustments for obligations incurred in Fiscal Year 2015 and prior years. These may be made out of the appropriations therefore to the respective offices, departments, boards, commissions and agencies for Fiscal Year 2016. Within one week of taking any action authorized by this subsection (6), the Director of Finance shall provide written notice to the President and all members of the Council, with a copy to the Chief Clerk of Council, detailing such action.

(7) Except as otherwise provided by this Ordinance, special funds heretofore established pursuant to ordinance or statute, shall continue to be utilized in Fiscal Year 2016 for the purposes and in the manner prescribed by such ordinance or statutes to the extent that they are consistent with the provisions of the Philadelphia Home Rule Charter.

When under the Philadelphia Home Rule Charter an appropriation is a prerequisite to payments of money from such special funds, this paragraph should be construed as an appropriation of the full receipts of such funds for the purpose heretofore authorized by such ordinance or statutes, except that this paragraph shall not be construed as an appropriation of any funds contained in the Housing Trust Fund created under Chapter 21-1600 of The Philadelphia Code, and expenditures from the Housing Trust Fund shall be made only pursuant to appropriations made in Section 14 of this ordinance. The provisions in the prior sentence relating to the Housing Trust Fund are not severable from the remainder of that sentence or from any of the other provisions of this subsection (7), but are essentially and inseparably connected with those provisions, it being Council's intent that no portion of this subsection (7) would have been enacted if it did not also contain the provisions relating to the Housing Trust Fund.

The Director of Finance is authorized and directed to impound the balance of any special fund with respect to which he/she finds that the purposes for which the fund is being expended were intended by ordinance or law to be funded by an appropriation made in other Sections of this Ordinance.

(8) The City Treasurer is authorized and directed to make temporary advances in such amounts as the Director of Finance shall specify between any of the operating funds receiving appropriations in this Ordinance or between any operating fund and the Capital Projects Fund, and

the Industrial and Commercial Development Fund, in anticipation of the collection of revenues or other receipts which are estimated to be receivable during the Fiscal Year 2016. Such advances shall bear interest at such rates as the City Treasurer, upon approval of the Director of Finance, shall determine.

(9) The amounts herein appropriated for Purchase of Services; Materials, Supplies and Equipment; Contributions, Indemnities and Taxes; and Debt Service shall be deemed to be available for encumbrance upon the effective date of this Ordinance, to the extent necessary to facilitate the operations of the various offices, departments, boards and commissions for Fiscal Year 2016; provided, that no service shall be rendered prior to July 1, 2015 and no materials, supplies or equipment acquired shall be used in Fiscal Year 2015 except to the extent required to prepare for Fiscal Year 2016.

Such portions of the appropriations herein made for debt service to the Sinking Fund Commission may be paid over to the City's fiscal agent prior to July 1, 2015 as in the judgment of the Director of Finance is necessary to meet interest and principal on the debt of the City due on July 1, 2015.

(10) The Director of Finance is authorized to charge or credit fund balances available for appropriations as of June 30, 2015 to record properly actual charges for Interfund Services for the Fiscal Year 2015.

(11) The Director of Finance is authorized to charge to fund balance payment of any obligation properly incurred in Fiscal Year 2015 or in any prior year, provided that at the time such obligation was incurred an appropriation was available against which it could have been charged, but that such appropriation shall have ceased to exist due to merger into surplus. It is further provided that the payment of any such obligation be in the same manner and subject to the same controls as would have been followed had the obligation been paid in a timely manner. Within one week of taking any action authorized by this subsection (11), the Director of Finance shall provide written notice to the President and all members of Council, with a copy to the Chief Clerk of Council, detailing such action.

(12) Provided that the appropriation contained in Sections 7, 9 and 11 of this Ordinance shall be made available for encumbrances and/or expenditure only when the Director of Finance has certified that he/she has been responsibly advised that funds necessary to finance such appropriation or portion thereof have been received or are to be forthcoming from another government or from a nongovernmental source.

In such event the Director of Finance is authorized to accept the award for the City and to provide for the appropriation as may be required to execute the program covered by the award.

(13) The Director of Finance is authorized and directed to restore any deficiency in any Sinking Fund Reserve established pursuant to a revenue bond general ordinance, when such deficiency results from a decline in the market value of its investments, by charging the amount of the deficiency against available loan balances, or in the absence of available loan balances, against the appropriate operating fund balance. Within one week of taking any action authorized by this

subsection (13), the Director of Finance shall provide written notice to the President and all members of Council, with a copy to the Chief Clerk of Council, detailing such action.

(14) None of the appropriations herein provided in Section 11 shall be encumbered against or expended out of the thirty eighth entitlement grant prior to the formal award thereof: Provided, that pending the receipt of all or a portion of the aforesaid grant award the Director of Finance is authorized to finance the appropriations herein provided from balances of prior entitlement grants awards. The authorization for such financing shall be transmitted by the Director of Finance to the Clerk of Council within two (2) working days of any such authorizations.

(15) In respect to the authorization amounts as set forth in Section 13 for purposes of operating the Board of Pensions and Retirement, the Director of Finance may increase each class amount by an amount not to exceed fifteen percent (15%) of the total budget for the fund for Fiscal Year 2016. The authorization for such increases shall be transmitted by the Director of Finance to the Clerk of Council within two (2) working days of any such increases.

(16) The appropriation contained in Section 9.3 of this ordinance shall only be made available for obligation upon certification by the Director of Finance that Community Development Block Grant unexpended funds are available for Interim and Construction Assistance and that the amounts to be made available are guaranteed by an irrevocable Letter of Credit or similar security. At such time the Director of Finance may authorize amounts to be provided from his/her appropriation, which amounts shall be financed by Community Development Block Grant revenues. Amounts which are repaid shall be credited as program income to finance Community Development Fund activities.

The Director of Finance and the Director of Housing, in accordance with the regulations of the Department of Housing and Urban Development (HUD), are authorized and directed to draw funds in a single lump sum from HUD's Community Development Block Grant (CDBG) to the City of Philadelphia for the appropriation contained in Section 11.1 of this Ordinance to establish a rehabilitation fund in one or more private institutions for the purpose of financing the rehabilitation of privately owned properties as part of the City's CDBG program. Funds drawn down from HUD, pursuant to this authorization, may be deposited in any private financial institution as defined by the applicable HUD regulations notwithstanding the limitations on the placement of City deposits set forth in Chapter 19-200 of The Philadelphia Code.

(17) The Director of Finance, with the concurrence of the U. S. Department of Housing and Urban Development (HUD), shall as of June 30 of the fiscal period preceding the start of this Operating Budget Ordinance, transfer all unobligated encumbrances and other available balances from the oldest Community Development Program Year not previously closed out to the next oldest Program Year as of July 1. Further, any questioned cost items from the closed out Program Year which are determined by HUD to be ineligible costs shall be transferred to the oldest open Program Year after such costs are removed. Program regulations governing such transferred funds shall be determined by HUD. The Director of Finance shall notify the Clerk of Council periodically concerning Program Year close outs and transfers.

(18) The Director of Finance is hereby authorized, at his/her discretion, to transfer the amount of the authorization and/or the obligations in respect to indemnities, advertising, insurance, telephone, postage, rental, leases, vehicle purchases, utilities, employer's share of fringe benefits and data processing services from the appropriations herein made to the appropriate offices, departments, boards, commissions or other agencies of the City.
