

Financial Disclosure Update

April 9, 2021

The deadline to file all 2020 Statements of Financial Interest is extended to June 1, 2021.

City Form

On April 9, 2021, the Board of Ethics passed a **resolution** permitting the filing of Statements of Financial Interests required by City Code Section 20-610 until June 1, 2021 without penalty.

State Form

On March 30, 2021, the State Ethics Commission **announced** that Statements of Financial Interests required under 65 Pa. C.S. § 1104 that are filed by June 1, 2021 would not be subject to compliance enforcement by the Commission.

Stay tuned for more information...

If you need to file one or more of these forms you should receive an email from the Board of Ethics by April 15 with further instructions and opportunities to attend information sessions.

Be sure to add **FinancialDisclosures@phila.gov** to your safe senders list so that notices and reminders land in your inbox and not your spam folder!

Note that in March 2021, City Council amended the rules for the City's financial disclosure form to update who files and what gets disclosed. One notable change is that members of advisory boards & commissions do not need to file. You can find a summary of key changes at bit.ly/2PqA1oQ.

To request assistance with your Financial Disclosure filings email **FinancialDisclosures@phila.gov**.
