SUBPART B. CONTRIBUTION LIMITS

1.2 Limits on contributions from individuals.

- a. An individual shall not make total contributions per calendar year of more than \$2,900 to a candidate for City elective office, including contributions made through one or more political committees.
- b. An individual shall not make total contributions per calendar year of more than \$2,900, including contributions made through one or more political committees, to a litigation fund committee established as described in Subpart H by a candidate for City elective office.
- c. An individual shall not make total post-candidacy contributions to a former candidate, including contributions made through one or more political committees, of more than \$2,900 between the general election and the end of that calendar year (or, in the case of candidates who do not win nomination, between the primary election and the end of that calendar year), and in each calendar year that follows the year of the general election.

1.3 Limits on contributions from political committees, partnerships, sole proprietorships, or other forms of business organization.

- a. A political committee, partnership, sole proprietorship, or other form of business organization shall not make total contributions per calendar year of more than \$11,500 to a candidate for City elective office, including contributions made through one or more political committees.
- b. A political committee, partnership, sole proprietorship, or other form of business organization shall not make total contributions per calendar year of more than \$11,500, including contributions made through one or more political committees, to a candidate's litigation fund committee.
- c. A political committee, partnership, sole proprietorship, or other form of business organization shall not make total post-candidacy contributions to a former candidate, including contributions made through one or more political committees, of more than \$11,500 between the general election and the end of that calendar year (or, in the case of candidates who do not win nomination, between the primary election and the end of that calendar year), and in each calendar year that follows the year of the general election.
- d. In order to qualify for the \$11,500 contribution limit described in Paragraph 1.3, the finances of a sole proprietorship or partnership must be distinct and segregated from the personal finances of its proprietor or partners.

1.4 Contributions made through one or more political committees.

- a. For the purposes of this Subpart, a contribution is made through a political committee when:
 - i. A person or political committee makes a contribution to a political committee and directs, suggests, or requests, whether in a direct, indirect, express, or implied manner, that the recipient political committee use all or part of the contributed money to make an expenditure to a specific candidate. A determination that such a direction, suggestion, or request was made shall be based upon all the relevant facts and circumstances; or
 - ii. The contributing person or political committee has provided the majority of the contributions received by the recipient political committee, whether directly or indirectly, in the twelve months prior to the recipient political committee's expenditure to the candidate, unless the recipient political committee can demonstrate, based on a reasonable accounting method, that money from the contributing person or political committee was not used to make the expenditure to the candidate.
- b. For the purpose of the contribution limits, a contribution made through a political committee is from both the original contributing person or political committee and the recipient political committee through which the contribution is made. The entire amount of the contribution made through a political committee shall count toward the contribution limits of the original contributing person or political committee, and the entire amount shall also count toward the recipient political committee's contribution limits.

1.5 During a non-election year:

- a. Candidates for Mayor shall receive no more than \$250,000 in total contributions from political committees;
- b. Candidates for District Attorney and Controller shall receive no more than \$100,000 in total contributions from political committees; and
- c. Candidates for City Council, Sheriff, and City Commissioner shall receive no more than \$75,000 in total contributions from political committees.

1.6 Doubling of Contribution Limits.

- a. If a candidate for City elective office contributes more than \$250,000 of his or her personal resources to his or her candidate political committee, the contribution limits for all candidates for that office shall be doubled for that year and each subsequent year up to and including the year in which the covered election occurs, except as provided in Subparagraph 1.6(b).

- b. The limits for post-candidacy contributions (Subparagraphs 1.2(c) and 1.3(c)) and the limits for contributions to litigation fund committees (Subparagraphs 1.2(b) and 1.3(b)) do not double if a candidate contributes more than \$250,000 to his or her candidate political committee.
- c. A contribution that exceeds the contribution limits at the time it is accepted by a candidate exceeds the contribution limits described in this Subpart even if the contribution limits subsequently double and the contribution is less than the doubled limits.
- d. If a candidate political committee returns, repays, or refunds to a candidate any money the candidate had contributed from his or her personal resources, the returned amount shall not count toward the \$250,000 contribution amount required to trigger doubling of the limits.
- e. Once the contribution limits double, they remain doubled even if:
 - i. The candidate whose contributions from his or her personal resources triggered the doubling ceases to be a candidate; or
 - ii. After the limits have doubled, a candidate political committee returns, repays, or refunds to the candidate a portion of the money contributed from the candidate's personal resources.
- f. If a candidate contributes more than \$250,000 of his or her personal resources to his or her candidate political committee, as set forth in Paragraph 1.6, within two business days he or she shall notify the Board of this fact by postal mail or email sent to the attention of the Board's Executive Director.

1.7 Candidates, candidate political committees, and litigation fund committees shall not accept any contribution that exceeds the limits set forth in this Subpart.

1.8 A pre-candidacy contribution made in the same calendar year that an individual becomes a candidate shall count toward the contribution limits set forth in this Subpart.

1.9 Candidates and contributors shall include the value of in-kind contributions when determining the total amount of contributions made or accepted in a calendar year.

1.10 If a person or political committee makes an expenditure to a political committee in order that a candidate's name be placed on a sample ballot, the amount of the expenditure from that person or political committee is a contribution to the candidate and shall count toward the contribution limits set forth in this Subpart, so long as the expenditure is not an independent expenditure.

1.11 Transactions that do not count toward the contribution limits. The following are not subject to the contribution limits set forth in this Subpart:

- a. Contributions from a candidate's personal resources to the candidate's candidate political committee or to the candidate's litigation fund committee;
- b. Contributions from a candidate's candidate political committee to the candidate's litigation fund committee;
- c. A political committee's costs to print or distribute a sample ballot where a candidate, person, or another political committee has paid the usual and normal charge to that political committee to have the candidate placed on a sample ballot distributed by that political committee;
- d. A political committee's costs to print or distribute sample ballots that are distributed in a candidate's ward pursuant to Paragraph 1.36; and

 - (1) Equipment, such as computers, copiers, or printers;
 - (2) Resources, such as postage; or
 - (3) Materials, such as stationery or campaign literature.
 - iii. An individual engaged in volunteer labor may make incidental use of resources without such use being a contribution from the owner of the resource to the candidate for the purposes of the contribution limits. Incidental use does not include the use of resources to reproduce campaign material for public distribution.

**SUBPART C. EXCESS PRE-CANDIDACY CONTRIBUTIONS;
EXCESS POST-CANDIDACY CONTRIBUTIONS**

1.12 A candidate or candidate political committee shall not spend any excess pre-candidacy contributions for the purpose of influencing the outcome of a covered election in which he or she is a candidate.

1.13 A candidate shall not transfer excess pre-candidacy contributions to the candidate's litigation fund committee established as described in Subpart H.

1.14 A candidate shall not spend any excess pre-candidacy contributions or excess post-candidacy contributions for the purposes of:

- a. Transition or inauguration expenses; or
- b. Retiring debt that was incurred to (i) influence the outcome of an already completed covered election; or (ii) cover transition or inauguration expenses related to an already completed covered election.

1.15 A candidate shall exclude all excess pre-candidacy contributions from his or her candidate political committee checking account by one of the following methods:

- a. Transferring excess pre-candidacy contributions to a segregated pre/post-candidacy excess contribution account ("SPEC" account) within ten days after the individual becomes a candidate; or
- b. Returning excess pre-candidacy contributions to the contributors who made those contributions within ten days after the individual becomes a candidate.

1.16 A candidate shall exclude all excess post-candidacy contributions from his or her candidate political committee checking account by one of the following methods:

- a. Transferring excess post-candidacy contributions to a SPEC account within ten days of receiving the contributions; or

1.17 A candidate or a candidate political committee shall not use money held in a SPEC account to influence the outcome of a covered election in which the candidate participates or to make post-candidacy expenditures.

1.18 Within seven days of establishing a SPEC account, a candidate shall notify the Board of the name of the bank at which the account was established by postal mail or email sent to the attention of the Board's Executive Director.

SUBPART D. DATE OF ACCEPTANCE OF CONTRIBUTIONS WITH RESPECT TO THE CONTRIBUTION LIMITS

1.19 Except as provided in Paragraphs 1.20, 1.21, and 1.22 the date of acceptance of a contribution is the date that the contribution comes into the possession of the recipient candidate, treasurer, litigation fund committee, political committee, or agent thereof.

1.20 If a contribution is delivered to a mailbox, the date that the contribution is accepted is the date on which the recipient candidate, treasurer, litigation fund committee, political committee, or agent thereof finds the contribution in the mailbox.

1.21 If a contribution is made by credit card through a website, the date that the contribution is accepted is the date on which the contributor submits his or her credit card information on the website.

1.22 The date of acceptance of an in-kind contribution is the date that the contributor provides the goods or services, or makes payment to a third party for the provision of goods or services, to the recipient candidate, litigation fund committee, or political committee, or agent thereof.

1.23 A candidate, litigation fund committee, or political committee shall not designate as the date a contribution is accepted any date other than the date of acceptance as identified in this Subpart.

SUBPART E. ATTRIBUTING CONTRIBUTIONS MADE BY CHECK FOR THE PURPOSE OF THE CONTRIBUTION LIMITS

1.24 A contribution made by a check that reflects a joint checking account of two or more individuals shall be attributed to the joint account holder who signs the check. If more than one account holder signs a contribution check, the contribution shall be apportioned evenly between the signers. If an individual other than an account holder signs a contribution check, the contribution shall be attributed evenly among the joint account holders.

1.25 A contribution made by a check drawn on the account of a political committee is a contribution from that political committee.

1.26 A contribution made by check drawn on the account of a partnership, sole proprietorship, or other form of business organization is a contribution from the partnership, sole proprietorship, or other form of business organization, unless other facts demonstrate that the contribution is from the signer of the check.

SUBPART F. RETIRING DEBT

1.27 Except as provided in Paragraph 1.28, forgiveness of debt incurred to influence the outcome of a covered election or to cover transition or inauguration expenses is a contribution from the creditor to the candidate or former candidate and is subject to the contribution limits set forth in Subpart B.

1.28 If a debt owed by a former candidate is not collectable as defined below, a creditor may forgive the debt without such forgiveness being subject to the contribution limits set forth in Subpart B. A debt is not collectable if all of the following are true:

- a. The creditor billed the candidate for its services in the ordinary course of its business and the terms of the transaction were commercially reasonable;
- b. The debt has been outstanding for at least 24 months;
- c. The candidate political committee does not have sufficient cash on hand to pay the creditor;
- d. The candidate political committee receives less than \$1,000 in contributions during the previous 24 months;
- e. The candidate political committee makes less than \$1,000 in expenditures during the previous 24 months;
- f. Forgiveness of the debt is not prohibited by any other relevant law;
- g. The creditor and candidate disclose the forgiveness to the extent required by the Pennsylvania Election Code, if applicable; and
- h. The creditor notifies the Board by postal mail or email sent to the attention of the Board's Executive Director of its intent to forgive the debt and demonstrates that all the conditions set forth in this Paragraph have been satisfied.

SUBPART G. USE OF POLITICAL COMMITTEES AND CHECKING ACCOUNTS BY CANDIDATES

1.29 A candidate for City elective office shall have no more than one political committee and one checking account for the City office being sought, into which all contributions and post-candidacy contributions for such office shall be made, and out of which all expenditures for that office shall be made, including post-candidacy expenditures.

1.30 If a candidate maintains other political or non-political accounts for which contributions are solicited, such funds collected in those accounts shall not be used for the purpose of influencing the outcome of a covered election or to make post-candidacy expenditures.

1.31 A candidate may transfer funds between his or her candidate political committee checking account and a single savings account so long as:

- a. The candidate establishes the savings account at the same bank that has his or her checking account;
- b. The candidate deposits all contributions into his or her checking account before transferring such funds to the savings account;
- c. The candidate does not make any expenditures or withdrawals directly from the savings account, but first transfers funds to the checking account in order to make expenditures or withdrawals; and
- d. Within three business days of the establishment of the savings account, the candidate shall notify the Board by postal mail or email sent to the attention of the Board's Executive Director that he or she has established a savings account.

1.32 Requirement to provide information to the Board about a candidate political committee.

- a. A candidate who has a candidate political committee when he or she becomes a candidate shall, within three business days of becoming a candidate, notify the Board of the following information:
 - i. The committee's name and street address (other than a P.O. box);
 - ii. The name of the bank where the committee's checking account is established; and
 - iii. The name, telephone number, email address, and street address (other than a P.O. box) of the treasurer of the committee.
- b. If a candidate does not have a candidate political committee when he or she becomes a candidate, he or she shall notify the Board of this fact within three business days of becoming a candidate and shall provide the Board with his or her street address (other than a P.O. box), telephone number, and email address.
- c. If a candidate establishes a candidate political committee after he or she has become a candidate, he or she shall notify the Board of the information set forth in Subparagraph 1.32(a) within three business days of the formation of the committee.
- d. A candidate may satisfy the requirements of Paragraph 1.32 by providing the Board with a copy of the Political Committee Registration Statement he or she filed with the City Commissioners as long as the information described in Subparagraph 1.32(a)(i)-(iii) is included.

- e. If the information required by Paragraph 1.32 changes, the candidate shall notify the Board of the updated information within three business days of the change occurring.
- f. Information required by Paragraph 1.32 shall be sent to the attention of the Board's Executive Director by postal mail or email.

1.33 Exercising control over another political committee. A candidate has a political committee, for the purposes of this Subpart, if he or she exercises control over the political committee. The following are factors relevant to determining whether a candidate exercises control over a political committee other than his or her candidate political committee:

- a. The candidate is the treasurer or chair of the other political committee;
- b. The candidate established or registered the other political committee;
- c. The candidate is an authorized user or signer on the other political committee's bank account;
- d. The treasurer or chair of the other political committee is an employee of the candidate;
- e. The other political committee has the same treasurer or chair as the candidate political committee; or
- f. The political committee's registered address is the same as the registered address of the candidate political committee or the residence or business of the candidate or the candidate political committee's treasurer or chair.

The presence of one or more of the factors enumerated above does not mandate a finding that a candidate exercises control over a given committee if the candidate does not in fact exercise control over that committee. Likewise, the absence of most or all of the factors enumerated above does not mandate a finding that a candidate does not exercise control over a given committee if the candidate does in fact exercise control over that committee.

1.34 Exercising control over another political committee's expenditures. A candidate also has a political committee, for the purposes of this Subpart, if the candidate or the candidate's agent exercises control over a specific expenditure made by that political committee. The following are factors relevant to determining whether a candidate or the candidate's agent exercises control over a specific expenditure made by a political committee:

- a. The candidate, candidate political committee, or the candidate's agent provides the money to cover the specific expenditure;
- b. The candidate, candidate political committee, or the candidate's agent selects the recipient of the expenditure; or
- c. The candidate, candidate political committee, or the candidate's agent decides or directs that the expenditure be made.

1.35 This Subpart does not prohibit a candidate from maintaining a litigation fund committee as described in Subpart H.

1.36 This Subpart does not prohibit a candidate from making expenditures through up to one political committee in addition to his or her candidate political committee for the printing and distribution of sample ballots that are distributed in the candidate's ward. However, all contributions to the candidate for the City elective office being sought shall be made into the candidate's candidate political committee.

1.37 This Subpart does not prohibit a candidate from paying a political committee to conduct or organize get-out-the-vote activities (such as canvassing and the distribution of campaign literature or sample ballots) as long as:

- a. The recipient political committee offers similar services to other candidates; and
- b. The candidate does not exercise control over the political committee as defined in Paragraph 1.33.

1.38 This Subpart does not prohibit a candidate from making a contribution within the contribution limits to his or her candidate political committee from any other political committee controlled by the candidate, as defined in Paragraph 1.33, other than the candidate's litigation fund committee.

SUBPART H. LITIGATION FUND COMMITTEES

1.39 Litigation fund committee requirements.

- a. In addition to a candidate political committee, a candidate for City elective office may establish a litigation fund committee with a single separate checking account to solicit and receive contributions and make expenditures for the purposes described in Subparagraph 1.39(d).
- b. The name of a litigation fund committee shall include the term "Litigation Fund."
- c. A litigation fund committee shall have a treasurer who shall be responsible for keeping records of contributions and expenditures as described in Paragraph 1.44.
- d. A candidate shall make expenditures from a litigation fund committee solely to pay professional fees and related costs incurred in defense of a civil, criminal, or administrative proceeding arising directly out of the conduct of the candidate's election campaign or participation in a covered election, such as a nomination petition challenge, a recount proceeding, or a Board investigation.
- e. A candidate shall not make expenditures from a litigation fund committee to pay any judgment, settlement, fine, sanction, or other type of penalty arising out of any civil, criminal, or administrative proceeding.

- f. A candidate may make expenditures from his or her candidate political committee for the purposes described in Subparagraph 1.39(d).

1.40 Requirement to provide information to the Board about a litigation fund committee.

- a. Within three business days of the formation of a litigation fund committee, a candidate shall notify the Board of the following information:
 - i. The litigation fund committee's name and street address (other than a P.O. box);
 - ii. The name of the bank where the litigation fund committee's checking account is established; and
 - iii. The name, telephone number, email address, and street address (other than a P.O. box) of the treasurer of the litigation fund committee.

If the litigation fund committee has been registered as a political committee, a candidate may satisfy the requirements of this Subparagraph by providing the Board with a copy of the Political Committee Registration Statement he or she filed with the City Commissioners or Secretary of State as long as the information described in (i)-(iii) above is included.

- b. If the information required by Paragraph 1.40 changes, the candidate shall notify the Board of the updated information within three business days of the change occurring.
- c. Information required by Paragraph 1.40 shall be sent to the attention of the Board's Executive Director by postal mail or email.

1.41 Termination of a litigation fund committee.

- a. A litigation fund committee shall be terminated no later than six months after the date of the general election for the office which the candidate sought, except as provided in Subparagraph 1.41(b).
- b. If six months after the date of the general election any matters are pending for which litigation fund committee funds may be expended, then a litigation fund committee shall be terminated within six months after the conclusion of all such matters, including any appeals.
- c. Before a litigation fund committee is terminated, any remaining funds shall be returned to contributors according to one of the methods below, and the litigation fund committee's checking account shall be closed:
 - i. On a "last in, first out" accounting basis;
 - ii. On a "first in, first out" accounting basis;
 - iii. On a pro-rata accounting basis; or

- iv. On such other equitable basis as may be approved by a majority vote of the Board upon application in writing by a candidate or treasurer of a litigation fund committee by postal mail or email sent to the attention of the Board's Executive Director at least 40 days prior to the termination deadline.
- d. The Board may grant an extension for terminating a litigation fund committee upon application at least 40 days prior to the termination deadline to the Board's Executive Director in writing that demonstrates good cause for an extension.

SUBPART I. CAMPAIGN FINANCE DISCLOSURES

1.42 Disclosures required of candidates and former candidates.

- a. Whenever a candidate for City elective office (or such a candidate's treasurer or agent) files a campaign finance report with the City Commissioners or the Secretary of State pursuant to the Pennsylvania Election Code, he or she shall file electronically a copy of that report with the Board, through the Department of Records.
- b. Former candidates shall file electronically with the Board, through the Department of Records, reports of post-candidacy contributions and expenditures.

Whenever a person or political committee (or a political committee's treasurer or agent), files a campaign finance report with the City Commissioners or the Secretary of State, the person or political committee shall file electronically a copy of that report with the Board, through the Department of Records, if the report filed with the City Commissioners or Secretary of State discloses, or should disclose, any contributions or expenditures made to influence the outcome of a covered election, including contributions from or expenditures to a candidate for City elective office.

- b. Political committees shall file electronically with the Board, through the Department of Records, reports of all post-candidacy contributions made by the political committee to any former candidate.
 - i. Such reports shall be identical in form and content to, and filed on the same schedule as, campaign finance disclosure reports required to be filed by political committees with the City Commissioners or Secretary of State pursuant to the Pennsylvania Election Code.
 - ii. A political committee may satisfy the requirements of this Paragraph by filing electronically with the Board copies of campaign finance reports the political committee files with the Secretary of State or the City Commissioners, so long as such reports disclose all post-candidacy contributions made by the political committee.
