Dear Mr. Skiedziewski:

This is just a note to update you on the status of your information requests. I have directed the Department to answer them. I have given them until Wednesday next week to notify you that they object to any of the requests, and if so, to state their reasons. They will have 7 business days from Monday to provide their written answers to any questions to which they have not objected. For questions subject to objection, I will determine whether the Department's objections have merit.

Best,
Nancy Brockway
