Subject: Re: Discovery in 2018 Water Rate Proceeding

Ms. Brockway:

Enclosed are additional discovery requests from PWD in the Water Rate Board proceedings:

- (1) How much has been paid over the last 2 years to repair cross connections?***
- (2) What is the number of cross connections repairs made?***
- (3) Please list all plumbers who have been paid by the PWD to make the repairs.***

(4) From which budget, capital, operating or rate stabilization was the money for the repairs allocated?

(5) Is the Philadelphia Inquirer article correct, that "generally, if a cross connection is outside the home, the PWD will pay to make the repairs?"

(6) Who at the PWD makes the decision which repairs are made and which are not?

(7) Please provide any and all documentation used to make the determination?

(8) Please provide any and all emails from elected officials, ward leaders, committee people asking for a repair to be made.

Thank you for your assistance with this matter and look forward to your response at your earliest convenience.

Sincerely,

Michael Skiendzielewski
