**Public Advocate's Interrogatories & Requests for Production of Documents
Set XI**

PA-XI-1. Reference the response to PA-VII-8 and PA-VII-11:

- a. Does the PWD provide a log or information on water main breaks?
- b. Please identify the day of maximum day and hour demand each year;
- c. Did PWD experience main breaks on any of the days identified in subpart (b)? If yes, please identify the size of the main which experienced a break and an estimate of the amount of water lost; and
- d. Please provide a representative sample of the logs or other information available on water main breaks maintained by PWD. Include the logs/information for those days identified in subpart (b).

PA-XI-2. Please provide the same information provided in response to PA-II-7 for the peak month experienced during FY 2017. Reconcile the response with the data provided in response to PA-VII-11.

PA-XI-3. Please provide a comparison of the water cost of service allocated to each customer class and the revenues proposed to be collected from each class for each FY (2019-2021), or identify where such a comparison can be found in WCOS17-19.xls.
