I. Introduction and Definitions

The City of Philadelphia strongly encourages the use of certified Minority ("MBE"), Women ("WBE"), Disabled ("DSBE") and Disadvantaged ("DBEs") Business Enterprises (collectively, "M/W/DSBEs") and minority and female workers in all aspects of the Ballpark Services Building (the "Project") located at 3300 S. 7th Street, Phila. PA 19148 ("the Site") which may include financial investment, design, construction, and operations.¹ In support of this objective, the City of Philadelphia will require that The Phillies (the "Owner") commit to this Economic Opportunity Plan ("EOP" or "Plan"). This Plan contains ranges of projected M/W/DSBE utilization and goals for the employment of minority and female workers in connection with the Project at the Site. This Plan shall be a part of and incorporated into the resulting agreement(s) with the owners of the Ballpark Services Building.

The Owner hereby verifies that all information submitted to the Office of Economic Opportunity ("OEO") in response to this Plan is true and correct and takes notice that the submission of false information is subject to the penalties of 18 PA C. S. Section 4904, relating to unsworn falsification to authorities and 18 PA C. S. Section 4107.2 (a)(4), relating to fraud in connection with minority business enterprises or women's business enterprises.

For the purposes of this Plan, MBE, WBE, DBE and DSBE shall refer to certified businesses so recognized by OEO. Only the work or supply efforts of firms that are certified as M/W/DSBEs by an OEO-approved certifying agency will be eligible to receive credit as a Best and Good Faith Effort.² In order to be counted, certified firms must successfully complete and submit to the OEO an application to be included in the OEO Registry which is a list of registered M/W/DSBEs maintained by the OEO and available online at www.phila.gov/oEO/directory.

For this Plan, the term "Best and Good Faith Efforts," the sufficiency of which shall be in the sole determination of the City, means: efforts, the scope, intensity and appropriateness of which are designed and performed to foster meaningful and representative opportunities for participation by M/W/DSBEs and an appropriately diverse workforce and to achieve the objectives herein stated. Best and Good Faith Efforts are rebuttably presumed met when commitments are made within the M/W/DSBE participation ranges established for the Project and a commitment is made to employ a diverse workforce as enumerated herein.

II. Project Scope

The demolition of an existing building and construction of a replacement building to provide accessory storage and office space in support of Citizens Bank Park.

III. Goals

A. M/W/DSBE Participation Ranges

As a benchmark for the expression of "Best and Good Faith Efforts" to provide meaningful and representative opportunities for M/W/DSBEs in the Project, the following participation ranges have been established. These participation ranges represent, in the absence of discrimination in the solicitation and selection of M/W/DSBEs, the percentage of MBE, WBE and DSBE participation that is reasonably attainable through the exercise of Best and Good Faith Efforts. These percentages relate to the good faith

¹ Disadvantaged Business Enterprises ("DBEs") are those socially or economically disadvantaged minority and woman owned businesses certified under 49 C.F.R. Part 26.

estimated cost of the entire Project. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g., MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The ranges are based upon an analysis of factors such as the size and scope of the Project and the availability of MBEs, WBEs, and DSBEs to participate in this development.

The following contract goals have been set for the Project:

Contracts	Minority Owned	Female Owned	DSBE	Total
Demolition/ Construction	20-25%	15-20%	BGFE	35-45%

B. Employment Goals

The Owner agrees to exhaust its Best and Good Faith Efforts to employ minority persons, by race and ethnicity, and females in its workforce of apprentices and journeypersons at the following levels:

African American journeypersons: 22% of all journey hours worked across all trades
 Asian journeypersons: 3% of all journey hours worked across all trades
 Hispanic journeypersons: 15% of all journey hours worked across all trades
 Female journeypersons: 5% of all journey hours worked across all trades

Minority apprentices: 50% of all hours worked by all apprentices
 Female apprentices: 5% of all hours worked by all apprentices

Local Residents
32%

The Owner will be required to submit to the City, no later than seven (7) days before the starting date of work on any such contract, a Workforce Diversity Goal Plan which shall include specific availability and utilization strategies for meeting the Workforce Diversity goals. The City's Labor Standards Unit shall have the responsibility of administering oversight of these Workforce Diversity Goals including evaluating the sufficiency of the Workforce Diversity Goal Plan, and monitoring the successful Bidder's Best and Good Faith Efforts towards realization of the goals throughout the duration of the contract.

IV. Equity Ownership

Identify the current equity owners of the project.

Type of Ownership	% Minority Owned	% Women-Owned	% Disabled Persons
Sole Proprietorship			
Partnership	0%	0%	0%
Corporation			

If the project is privately owned, the following individuals will become the anticipated Equity Owners upon completion.

Type of Ownership	% Minority Owned	% Women-Owned	% Disabled Persons

Following the completion of the project, the project owner is responsible for meeting the reporting guideline identified in the Philadelphia Code.³

1. Describe employment and recruitment policies used to achieve diversity in your workforce.

As described in our organization's Diversity Plan, "The Phillies supports and offers a welcoming environment to all employees, suppliers and fans and respects and honors individual and cultural differences as an enriching part of its organizations culture." In support of MLB's investment in diversity and inclusion efforts, our organization continues to be creative in supporting diversity recruitment and hiring both league-wide and in the local market. We have increased the pool of candidates for consideration at almost every level of the organization in the last few years. We have attended all MLB Diversity Business Summits and continue to invest locally in HS, college and corporate job fairs, career days and other professional development opportunities to search for new relationships and employees. Our second annual College Night series, which we host at the ballpark, has also allowed Delaware Valley students unique access to our professionals working

in the industry, and in turn created a system of networking that has directly resulted in several outstanding new employees. Coupled with new employee resources and a generous budget to foster these efforts, our Club continues to broaden the scope of relationships in the community. Growing our own network of friends in business, The Phillies take pride that our relationships that begin at home in our front office extends well beyond the playing field to a network of partners. We remain engaged to all efforts to achieve diversity that align with complementing our family environment and creating a more diverse workforce both in the front office and on the field.

We have a multifaceted approach to seeking out vendors. We also include the non-discrimination provisions in our construction and in other contracts.

VI. Responsiveness

A. The owner shall identify M/W/DSBE commitments and other agreements evidencing their intent to use Best and Good Faith efforts to employ minority persons and females at the levels stated herein. The

identified commitments constitute a representation that the M/W/DSBE is capable of providing commercially useful goods or services relevant to the commitments and that the Owner has entered into legally binding commitments or other legally binding agreements with the listed M/W/DSBEs for the work or supply effort described and the dollar/percentage amounts set forth. In calculating the percentage of M/W/DSBE participation, the standard mathematical rules apply in rounding off numbers. In the event of inconsistency between the dollar and percentage amounts listed on the form, the percentage will govern.

B. M/W/DSBE commitments are to be memorialized in a written subcontract agreement. Letters of intent, quotations, contracts, subcontracts and any other documents evidencing commitments with M/W/DSBEs become part of and an exhibit to the Agreement resulting from the RFP.

C. OEO will review the owner's commitments for the purpose of determining whether Best and Good Faith Efforts have been made. OEO reserves the right to request further documentation and/or clarifying information at any time during the construction and development of the Project.

VII. Compliance and Monitoring of Best and Good Faith Efforts

A. The owner agrees to cooperate with OEO in its compliance monitoring efforts, and to submit, upon the request of OEO, documentation relative to its implementation of the Plan, including the items described below:

- Copies of signed contracts and purchase orders with M/W/DSBE subcontractors
- Evidence of payments (cancelled checks, invoices, etc.) to subcontractors and suppliers to verify participation; and
- Telephone logs and correspondence relating to M/W/DSBE commitments.
- To the extent required by law, the Owner shall ensure that its on-site contractors maintain certified payrolls which include a breakout of hours worked by minority and female apprentices and journeypersons. These documents are subject to inspection by OEO.

B. Prompt Payment of M/W/DSBEs

The owner agrees and shall cause its contractors to ensure that M/W/DSBEs participating on the Project receive prompt payment for their work or supply effort within five (5) days after receipt of payment from the project owner.

C. Oversight Committee

For this Project, in the sole discretion of the City, an oversight committee may be established consisting of representatives from the Owner, representatives of the building trades, the construction manager, and the City which may include the Project site's district councilperson, OEO, and appropriate community organizations ("Committee"). The Committee will meet regularly to provide advice for the purpose of facilitating compliance with the Plan.

D. Reporting

The owner agrees to file an annual report with the City of Philadelphia and City Council concerning the performance of the Economic Opportunity Plan through the duration of the Project. In addition, during construction, the Owner will provide "snapshot" reports containing updates for certain categories of information contained in its annual report on a monthly basis during construction. Snapshot reporting will include: (i) utilization of M/W/DSBEs, and (ii) the hiring and employment of minorities and females. All

reports (quarterly & annually) provided to the City under this section will also be provided to the Office of Economic Opportunity.

VIII. Remedies and Penalties for Non-Compliance

A. The owner agrees that its compliance with the requirements of this Plan is material to the Agreement. Failure to comply with the Plan may constitute a substantial breach of the Agreement and is subject to the remedies and penalties contained therein or otherwise available at law or in equity. Notwithstanding the foregoing, no privity of contract exists between the City and any M/W/DSBE identified in any contract resulting from implementation of the Plan. Neither the Owner nor the City intends to give or confer upon any such M/W/DSBE any legal rights or remedies in connection with subcontracted services under any law or policy or by any reason of any contract resulting from implementation of the Plan except such rights or remedies that the M/W/DSBE may seek as a private cause of action under any legally binding contract to which it may be a party.
