PHILADELPHIA POLICE DEPARTMENT

PREMISE HISTORY - ADA (DISABILITY) APPLICATION FORM

This form is to assist the City of Philadelphia in more effectively responding to an emergency situation that a member of your household with a disability may experience. Please complete the following voluntary questionnaire and return it by mail, or drop it off at the nearest Police District.

If you choose to respond, the information will be submitted into the Philadelphia Police Department’s CAD system for use by Philadelphia’s 911 dispatchers. The purpose is to ensure that 911 dispatchers and emergency response personnel are aware, in advance, of any information you feel they would need to know about people with disabilities in your household in the event of an emergency.

Responding to this questionnaire is purely voluntary. You may choose to respond on behalf of all of your household members or only certain household members. If you choose to respond to this questionnaire, please be sure to provide your signature on the last page. (Your signature gives us the permission we need to process this information - without it the information cannot be processed.)

In addition, this information will be removed from our files periodically therefore this form must be submitted every two (2) years to ensure that our files are accurate.

Please notify Police Radio Training at 685-3940 if there is any change to the information you provide. (i.e. change of address, phone number, etc.)

________________________________________________________________________________________

________________________________________________________________________________________

IMPORTANT: By signing this questionnaire, I acknowledge that the information provided above was done so voluntarily for the sole purpose of assisting the Police and Fire Departments, through their 911 system and emergency response personnel, to more effectively respond to a potential emergency in or near my household. I also understand that providing this information does not entitle me or anyone in my household to preferential treatment, nor will it result in a more timely response by emergency response personnel. It is simply an attempt to provide emergency response personnel with information, which may be helpful when providing service to residents or occupants of my home.
