# Instructions

## AIR POLLUTION LICENSE APPLICATION FOR AUTOMOTIVE FACILITIES WITH MECHANICAL VENTILATION SYSTEMS

1. An Air Pollution License is required for the operation of an enclosed parking garage, underground parking or loading facility, or tunnel with a mechanical ventilation system, as per Air Management Regulation XII.
2. The License is issued annually and expires on October 31 each year.
3. Complete the application form and submit it to Air Management Services along with a \$430 application fee made payable to the "City of Philadelphia".
4. All information in the application is available to the public, if you wish to keep some information confidential, please place the stamped confidential information separately along with the requested letter. AMS will review the confidential request and advise you as appropriate.
5. Please direct all submission to:

Source Registration  
Air Management Services  
321 University Avenue  
Philadelphia, PA 19104-4543.  
Phone 215- 685-7572

### 6. Terms

- Tax ID No.: This is the Federal Tax ID or Social security number. If the applicant has an Employer Identification number (EIN), this number must be used. **This number should have exactly 9 digits.**
- SIC Code: This is the Standard Industrial Classification Code for the main activity of this site.
- Automotive Facility: Any building or structure, or portion thereof, which is used as an enclosed parking garage, underground parking or loading facility, or tunnel; excepting open parking lots, mechanical access parking garages, and garages of one or two family dwellings.

### 7. For more information, please see:
