RE: Reply to Nizah Morris Opinion

Dear Commissioner Ramsey:

On April 6, 2013, the Commission made several recommendations in its second opinion in the matter of Nizah Morris. As you know, Sec 4(f) subsection (3) of Executive Order 8-93 requires that the Police Commissioner respond to these recommendations in writing within 30 days of receipt:

(3) Within thirty (30) days of the submission of a recommendation for action by the Commission to the Police Commissioner, the Police Commissioner shall respond in writing regarding which recommendations are accepted, rejected, or will be implemented with modifications.

Through the hard work and dedication of its volunteer members and staff, the Police Advisory Commission is a steadfast supporter of the Department in its continual efforts to improve policing and community-police relations in our great City. The cooperative relationship between the Department and the Commission that you have fostered throughout the course of your tenure as Commissioner has been instrumental to our success.

We look forward to your reply to the recommendations in the Morris Opinion.

Sincerely yours,

Kelvyn Anderson
Executive Director
