**Re: Complaint Of Chris Alvarez and Mark Kelly  
Comm.# 021068 and 021067**

Dear Lieutenant Craighead:

Thank you, for your prompt notification of officer (s) interview (s) and **Commission Principal Investigator, Wellington Stubbs** will be present and prepared to interview the officer(s) in connection with the complaint (s) of Mark Kelly and Chris Alvarez. Per your conversation of January 2, 2003, Officer interviews are scheduled for the following dates and times: Wednesday, January 8, 2002 @ 12:00Am (mid-night), Officer Bern McCafferty; Thursday, January 9, 2003, @ 12:00Am (mid-night), Officer John Brady. All information provided to you by the Commission is classified as confidential and is not to be shared with anyone involved directly or indirectly with the case. The officer(s) are permitted to read a copy of the Commission complaint.

Thank you for the copies of the complainants' withdrawal forms forwarded to you from their attorney. We have forwarded to each complainant a copy of the Commission's Notice of Withdrawal. This allows the complainant (s) to respond directly to the Commission concerning their desire to withdraw the complaint. Since any formal withdrawal of a Commission complaint must come directly from the complainant, your notice of withdrawal does not close our administrative investigation. It is therefore our determination to continue on with the process unless directly notified by the complainant (s) of their desire to withdraw.

Therefore, in line with the standard procedure, upon completion of your investigation, I will require a copy of your final report, outlining your findings in the

above matter. If the interview (s) have to be re-scheduled, please contact the assigned at 216-686-3980.

If you have any questions or concerns, please feel free to contact me at 216-686-3984.

Respectfully,

  
William M. Johnson  
Deputy Director
