Amendments to the Redevelopment Area Plan  
Center City Redevelopment Area  

PHILADELPHIA CITY PLANNING COMMISSION  
March 10, 2005

The Philadelphia City Planning Commission approved the Center City Redevelopment Area Plan in February 1963, and the Commission approved a major area-wide Amendment on May 6, 1976. The Redevelopment Area Plan covers the area bounded by Spring Garden Street, the Pierhead Line of the Delaware River, South Street, and the Schuylkill River.

The following changes are proposed:

1. Proposed Land Use

For the area bounded by Ninth Street, Wood Street, Ridge Avenue and Carlton Street the Proposed Land Use will change to “Residential and Related” from the previous designation "Industrial." The area affected by the land use change includes the property at 917-31 Ridge Avenue.

2. Estimated Costs of Redevelopment

Specific cost estimates will be prepared by the Redevelopment Authority.

*Aside from these changes, the provisions of the Center City Redevelopment Area Plan of May 6, 1976 will remain in effect.*
